(g) A voluntarily excluded individual shall have the following ongoing obligations regarding the voluntary exclusion list:

(1) Refrain from entering the gaming areas of riverboats and other facilities under the jurisdiction of the commission until such time as a request for removal has been processed by the commission.

(2) Each time the personal information of a voluntarily excluded individual changes, he or she must provide the commission with the updated information.

(3) Notify the commission if direct mailing items are received addressed to a voluntarily excluded person at his or her residence.

(h) A voluntarily excluded individual who violates the terms of the voluntary exclusion list and enters the gaming area of a facility under the jurisdiction of the commission agrees to forfeit any jackpot or thing of value won as a result of a wager made at a facility under the jurisdiction of the commission. The forfeited jackpots or items will be withheld by the riverboat licensee or operating agent and remitted to the commission. The commission shall collect such items and funds as a fine levied against the voluntarily excluded individual for violating this rule. Voluntarily excluded individuals may appeal a forfeiture under this rule by following the procedures outlined in [68 IAC 7](#).

(i) Voluntarily excluded individuals agree to forfeit all points or complimentaries earned by the individual on or before the individual completes his or her request for placement on the voluntary exclusion list. Points or complimentaries refer to credits earned by a person under the terms of a riverboat licensee's or operating agent's marketing program as approved by the commission, and shall include, but shall not be limited to:

To the extent that complimentaries or points described above may be redeemed for cash under the riverboat licensee's or operating agent's marketing program, the individual shall be entitled to receive that amount.

(j) Nothing in this rule shall prohibit a riverboat licensee or operating agent from alerting local law enforcement authorities of a voluntarily excluded person's presence in a facility under the jurisdiction of the commission to effect an arrest for trespassing.

SECTION 30. (a) This SECTION supercedes [68 IAC 6-3-4](#).

(b) Each riverboat licensee, riverboat license applicant, operating agent, and operating agent applicant shall establish internal control procedures for compliance with this rule, which shall be submitted and approved by the commission under [68 IAC 11-1-3](#).

(c) The internal controls must, at a minimum, address the following:

(1) Procedures must provide a plan for distributing the list of persons who have voluntarily excluded and their personal information to appropriate personnel of the facility for purposes of enforcing the program. The plan must allow, to a reasonable extent, appropriate employees of a riverboat licensee or operating agent to identify a voluntarily excluded person when that person is present in a casino or other facility under the jurisdiction of the commission. Such information shall not be released to casinos in other jurisdictions. However, nothing in this rule shall prohibit a riverboat licensee or operating agent from effectuating the eviction of a voluntarily excluded person from other properties within their corporate structure so that the person will be denied gaming *[sic., gaming]* privileges at casinos under the same parent company in other jurisdictions.

(2) Must provide a process whereby enforcement agents and security and surveillance are notified immediately when a voluntarily excluded person is detected in the gaming area of a facility.

(3) Must refuse wagers from and deny gaming privileges to any individual who the casino knows to be a voluntarily excluded person.

(4) Make all reasonable attempts to ensure that voluntarily excluded persons do not receive direct marketing. A riverboat licensee or operating agent will satisfy this requirement if the riverboat licensee or operating agent removes the individual's name from the list of patrons to whom direct marketing materials are sent, and the individual does not receive direct marketing materials more than forty-five (45) days after the riverboat licensee receives notice, under section 3(a) of this rule, that the individual has appeared on the voluntary exclusion list.

(5) Ensure that voluntarily excluded persons do not receive check cashing privileges or extensions of credit, whether directly through the riverboat licensee or operating agent, or through a supplier contracting with a riverboat licensee or operating agent on property hired for the purpose of check cashing or extension of credit, or both.

(d) Nothing in this rule shall prohibit a riverboat licensee or operating agent from seeking payment of a debt from a voluntarily excluded person if the debt was accrued by a person before his or her name was placed on the voluntary exclusion list.

(e) A riverboat licensee or operating agent shall post signs at the turnstiles marking the entrance to the gaming area that will inform and educate patrons about the voluntary exclusion program. The text that will appear on the signs must be submitted to the commission staff for approval prior to posting.

(f) A riverboat licensee or operating agent shall be subject to disciplinary action under [68 IAC 13](#) for failure to comply with the requirements of this SECTION and the internal control procedures outlined pursuant to this SECTION, including, but not limited to, the following:

(6) The signature of the enforcement agent or other individual authorized by the executive director to accept a request for removal, verifying that the individual requesting removal is the voluntarily excluded individual.

(e) Upon receipt of a request for removal, the commission shall effectuate the removal of the name of the individual requesting removal from the voluntary exclusion list. The commission shall act upon a request for removal within thirty (30) days of receipt of such request.

(f) The commission shall notify each riverboat licensee or operating agent each time an individual is removed from the voluntary exclusion list. Once an individual's name has been removed from the voluntary exclusion list, nothing in this rule shall prohibit a riverboat licensee or operating agent from marketing directly to that individual, cashing checks of such a person, or extending credit to the individual.
