Change in Notice of Public Hearing
LSA Document #05-108

The Fire Prevention and Building Safety Commission gives notice that the dates of the public hearings for consideration of final adoption of LSA Document #05-108, printed at 29 IR 1316, have been changed. The changed Notice of Public Hearing appears below:

Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on **August 28, 2006**, at 10:00 a.m., at the Indiana Government Center-South, 402 West Washington Street, Conference Center Room C, Indianapolis, Indiana, the Fire Prevention and Building Safety Commission will hold a public hearing on proposed amendments to [675 IAC 12](#).

The Fire Prevention and Building Safety Commission has the authority to adopt the proposed amendments under [IC 22-13-2](#) and [IC 22-15](#). The amendments will update the General Administrative rules and will impose costs on regulated entities. The justification for these fee increases is to pay for improvements to the plan review filing systems required by law and to better serve the regulated community and to defray the actual costs of required inspections. Copies of the data supporting the justification are now on file at the Indiana Government Center-South, 302 West Washington Street, Room W246, Indianapolis, Indiana and are open for public inspection.

Copies of these rules are now on file at the Indiana Government Center-South, 302 West Washington Street, Room W246 and Legislative Services Agency, One North Capitol, Suite 325, Indianapolis, Indiana and are open for public inspection.
