
TITLE 312 NATURAL RESOURCES COMMISSION

Notice of Public Hearing

LSA Document #06-92

Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on October 4, 2006 at 10:00 a.m., at the Brown County Public Library, Conference Room C, 205 Locust Lane, Nashville, Indiana the Natural Resources Commission will hold a public hearing on proposed amendments adding [312 IAC 10.5](#), governing the regulation of dams, to clarify definitions for the implementation of [IC 14-27-7.5](#).

The DNR is required by [IC 14-27-7.5-8\(b\)](#) to establish by rule the criteria for assigning a hazard classification to dams. The classification must include "high hazard", "significant hazard", and "low hazard". The rule proposal seeks to implement this statutory mandate. [IC 14-27-7.5](#) (particularly [IC 14-27-7.5-9](#)) sets forth regulatory requirements applicable to the owners of dams, but the rules do not impose requirements or costs under [IC 4-22-2-24\(d\)\(3\)](#) other than those set forth in the statute.

Copies of these rules are now on file with the Natural Resources Commission at the Indiana Government Center-South, 402 West Washington Street, Room W272 and Legislative Services Agency, One North Capitol, Suite 325, Indianapolis, Indiana and are open for public inspection.
