
TITLE 68 INDIANA GAMING COMMISSION

Change in Notice of Public Hearing
LSA Document #06-335

The Indiana Gaming Commission gives notice that the date of the public hearing for LSA Document #06-335, posted at [20060927-IR-068060335PRA](#), has been changed. The changed Notice of Public Hearing appears below:

Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on **January 3, 2007**, at 9:00 a.m., at the **office of the Indiana Gaming Commission, 115 West Washington Street, Suite 950 – South Tower, Indianapolis, Indiana**, the Indiana Gaming Commission will hold a public hearing on proposed new rules regarding the conduct of charity gaming activities by qualified organizations.

The Indiana Gaming Commission has the authority to promulgate rules in accordance with the requirements of [IC 4-32.2](#), including setting license fees and reporting requirements of qualified organizations, manufacturers, and distributors. The proposed rule will affect cost on regulated entities by increasing the initial license fees for qualified organizations, manufacturers, and distributors, and requiring more frequent reporting of financial information required by [IC 4-32.2](#). The increase in license fees will offset the cost of processing license applications and will update the existing fee structure which has not changed since 1992. The increase in licensing fees will also allow the Commission to pursue more aggressive background investigations into manufacturers and distributors of gaming equipment. The increase in reporting requirements will allow the Indiana Gaming Commission to conduct a more timely analysis of financial reports which will assist the Commission in identifying fraud, money laundering, and under-reporting of income. The Commission has not relied on any data, studies, or analyses in determining the imposition of requirement or costs.

Copies of these rules are now on file at the Indiana Gaming Commission, 115 West Washington Street, Suite 950 – South Tower and Legislative Services Agency, One North Capitol, Suite 325, Indianapolis, Indiana, and are open for public inspection.
