Sec. 2. (a) When requested, bidding proposals will be issued to any properly qualified contractor up to 4:30 p.m., Indianapolis time, on the last workday immediately preceding the bid opening date unless otherwise indicated in the advertisement. ~~A proposal issued for informational purposes only will be marked "sample proposal" and will not be accepted as a bid from any person.~~ The prospective bidder, and other persons, will be required to pay the sum stated in the notice to contractors for bidding material ordered. No refunds will be made for materials ordered and returned except in cases of error in filling orders or when a project advertised is withdrawn prior to the bid opening. **The department will make proposal forms available electronically through the designated electronic medium as specified by the department's notice to contractors.**

(b) The contractor or bidder ~~purchasing a proposal and plans~~ **submitting a bid** accepts and assumes the risk that the proposal **form** and plans are complete. ~~Before the submission of~~ **By submitting** a bid, the contractor or bidder ~~shall check~~ **certifies that it has checked** the proposal **form** and plans to **see confirm** that they are complete. The contractor or bidder agrees to waive all claims relating to the completeness **or accuracy** of the proposal **form** and plans. ~~If the contractor or bidder finds an error is found,~~ **or omission**, the contractor **or bidder** shall notify the ~~prequalification engineer in writing~~ **department as specified in the proposal form** at least ten (10) days before the date the bids are to be opened.

(Indiana Department of Transportation; [105 IAC 11-3-2](#); filed Jul 25, 1991, 3:30 p.m.: 14 IR 2192; readopted filed Nov 7, 2001, 3:20 p.m.: 25 IR 899)

SECTION 18. [105 IAC 11-3-3](#) IS AMENDED TO READ AS FOLLOWS:

105 IAC 11-3-3 Qualification

Authority: IC 8-23-2-6

Affected: IC 8-23-10

Sec. 3. (a) The department's notice to contractors will list one (1) or more types or classes of work for a contract.

(b) A bidder must have bidding capacity equal to or greater than its total bid in the advertised class or combination of classes of work listed in the department's notice to contractors for the specific contract.

~~(b)~~ (c) A contractor not acceptable to the Federal Highway Administration is not eligible for work on a contract involving federal funds.

(Indiana Department of Transportation; 105 IAC 11-3-3; filed Jul 25, 1991, 3:30 p.m.: 14 IR 2192; readopted filed Nov 7, 2001, 3:20 p.m.: 25 IR 899)

SECTION 19. 105 IAC 11-3-4 IS AMENDED TO READ AS FOLLOWS:

105 IAC 11-3-4 Bidding capacity

Authority: IC 8-23-2-6

Affected: IC 8-23-10

Sec. 4. (a) **If the bidder's aggregate amount of work is greater than three hundred thousand dollars (\$300,000), then** the bidder's bidding capacity with the department on any given date will be determined by deducting the value of all unearned work as of that date on contracts and subcontracts for work of any owner, contractor, or other party from the aggregate rating and from the appropriate classified ratings ~~which that~~ are stated on its certificate of qualification. ~~except,~~ If the bidder's aggregate amount is **equal to or** less than three hundred thousand dollars (\$300,000), the bidder's bidding capacity with the department on any given date will be determined as the lesser of the following: **value of all unearned work as of that date on:**

- (1) ~~The value of all unearned work as of that date on~~ contracts for work of any owner or other party deducted from the aggregate rating and from the appropriate classified ratings ~~which that~~ are stated on the bidder's certificate of qualification; **or**
- (2) ~~The value of all unearned work as of that date on~~ contracts and subcontracts for work of any owner, contractor, or other party deducted from three hundred thousand dollars (\$300,000).

(b) The value of work subcontracted on existing contracts of the department to an approved subcontractor will not be considered as unearned work of the bidder in determining the contractor's bidding capacity.

(c) It shall be the responsibility of each qualified bidder to ensure that a bid submitted for a single contract does not exceed its bidding capacity on the date bids are opened. If the bidder does not limit the sum of its regular bids to the volume of work permitted by its bidding capacity, the department may selectively award low bids up to, but not exceeding, the bidder's bidding capacity.

(d) The bidder must show, on the form provided in each proposal **bid**, the ~~following:~~ **total and type of all unearned work:**

- (1) ~~The amount and type of all unearned work under contract~~ **with any owner, contractor, or other party** either as principal or subcontractor, based on the latest engineer's or owner's estimate, with proper allowance for work subsequently performed; **and**
- (2) ~~The portion of such unearned work on department contracts which is~~ **under the department's approved subcontracts** sublet to an approved subcontractor.

(e) The commitment of personnel and equipment on a payroll or rental basis for the performance of definite and specific work must be reported as unearned work even though no formal contract ~~exists:~~ **may exist.**

[105 IAC 11-3-5](#) Joint ventures

Authority: [IC 8-23-2-6](#)

Affected: [IC 8-23-10](#)

Sec. 5. (a) A bid of two (2) or three (3) contractors will be considered a joint venture. ~~Ne~~ **Not** more than three (3) contractors will be permitted as parties to a joint venture. All contractors applying for joint venture approval must be prequalified separately.

(b) A contractor that is a member of a joint venture may not submit a proposal **bid**, in its individual capacity or as a participant in another joint venture, for the same contract on which the joint venture bids.

(c) The bidding proposal:

(1) will be taken out in the name of the joint venture; ~~It~~ **and**

(2) shall be signed by each participating contractor;

with each contractor fully responsible for the completion of all contract items. **For electronic proposal bids, the joint bidder will be issued a unique vendor identification by the designated electronic medium, and the unique vendor identification shall be used to sign the joint venture.** The contractors in the joint venture may combine their individual bidding capacities in order to meet the requirements of section 3 of this rule. A contractor in a joint venture shall have bidding capacity for the work the contractor is to perform. The bid items or the percentage of the bid item to be performed by a contractor in the joint venture must be shown in the proposal **bid**. The value thereof will be charged to the individual contractor's aggregate and classified bidding capacity.

(d) A request for a joint venture is subject to department approval and must be ~~in writing~~ **executed** on the form prescribed by the department. The form must be:

(1) signed by all parties involved in the joint venture; ~~The form must be notarized by a notary public unrelated to any party to the joint venture, and The form must be~~

(2) received in the office of the prequalification engineer not later than 9:00 a.m., ~~local~~ **Indianapolis** time, the last workday before the bid opening.

The prescribed form is available ~~from on the prequalification engineer.~~ **department's Web site.**

(e) The bid and performance bond may be executed by a surety for all parties to the joint venture, or a separate bid and performance bond may be executed for each participating contractor. When more than one (1) surety is used, a letter of agreement ~~on the form available from the department~~ must be included with the bid and signed by each surety.

(Indiana Department of Transportation; [105 IAC 11-3-5](#); filed Jul 25, 1991, 3:30 p.m.: 14 IR 2193; readopted filed Nov 7, 2001, 3:20 p.m.: 25 IR 899)

[105 IAC 11-3-6](#) Examination of contract documents and site of work

Authority: [IC 8-23-2-6](#)

Affected: [IC 8-23-10](#)

Sec. 6. (a) The bidder shall make a careful visual examination of the site of the proposed work and the contract documents before submitting a proposal **bid**. The submission of a proposal **bid** will be considered conclusive evidence that the bidder has made a careful visual examination of the project site and contract documents.

(b) When an item listed as a pay item is:

(1) shown on the plans and not in the ~~itemized proposal~~, **schedule of pay items**; and the item is

(2) not specifically excluded from payment in the specifications or in the contract documents;

the item will be considered an omission in the ~~itemized proposal~~, and payment will be made by the execution of a ~~change order~~. **schedule of pay items.**

(c) Information pertaining to exploration, borings, test pits, and other preliminary investigations may appear on the plans. Soils investigation reports, when available, will be made available for inspection upon request. ~~While the data will have been collected with reasonable care,~~ There is no expressed or implied guarantee that conditions so indicated **in the soil investigation reports** are entirely representative of those actually existing, or that unanticipated conditions may not exist. These investigations will have been made only for the information of the engineer and to assist in the preparation of the design. The state of Indiana assumes no responsibility for the completeness of the information nor for the actual subsoil or other conditions ~~which that~~ may be found to exist during the progress of construction unless otherwise provided in the contract. The bidder shall:

(1) put its own interpretation on results of the investigations; and

(2) satisfy itself as to materials to be excavated and soil through which piles may be driven.

A bidder is not entitled to rely on the representations in the plans and reports, referenced in this subsection, without independent investigation and evaluation by the bidder.

(d) If a bidder contemplating the submission of a proposal **bid** for a contract is in doubt as to the true meaning of any part of the plans, specifications, or other contract documents, the bidder may submit to the ~~prequalification engineer~~ **department** a written request for an interpretation thereof **as specified in the proposal form**. The request must be delivered to the ~~prequalification engineer~~ **department** not later than ten (10) days before the advertised date for the opening of bids. ~~Such~~ **The** interpretation will be:

(1) made by an authorized representative of the department; and ~~be sent to all bidders who have purchased or who subsequently purchase the bidding proposal and plans for that project.~~

(2) **posted on the designated electronic medium.**

The department will not be responsible for other interpretations of the contract documents.

(e) With respect to utilities and railroads, the bidder ~~is responsible for what~~ **shall conduct a thorough** review of the project site and contract documents. ~~would have disclosed.~~ If there are ~~obvious~~ **potential** problems with respect to utilities or railroads, the bidder shall make a reasonable inquiry of the utility or railroad before submitting its proposal **bid**.

Sec. 7. (a) All papers bound with or attached to the proposal are considered a **No** part thereof and **of the proposal form or proposal bid** shall not be **deleted**, detached, or altered. ~~when the proposal is submitted. The documents designated in the proposal will be considered a part of the proposal whether attached or not.~~

(b) The quantities appearing in the ~~itemized proposal~~ **schedule of pay items** are approximate and are prepared for the comparison of bids. Payment to the contractor will be made only for:

(1) the actual quantities of work performed and accepted; or ~~for~~

(2) materials furnished in accordance with the contract. ~~unless otherwise provided.~~

The scheduled quantities of work to be done and materials to be furnished may be increased, decreased, or omitted.

(c) The bidder must submit its bid ~~on the proposal purchased from the department or on other authorized documents. The proposal must show the products of the respective unit prices and quantities written in figures in~~

~~the column provided for that purpose and the total amount of the proposal obtained by adding the several items. All figures must be in ink or typed.~~ **in the format specified by the proposal form. All required items in the specified format must be complete when submitted.**

(d) **If the proposal form allows a paper bid to be submitted**, the bidder may submit itemized proposal sheets **a schedule of pay items** that have **has** been produced by computer in lieu of the itemized proposal sheets furnished by the department. ~~The computerized itemized proposal sheets shall be formatted as follows:~~ **using the electronic schedule of pay items provided on the department's Web site.**

- ~~(1) The size of the sheets must be eight and one half (8 1/2) inches by eleven (11) inches.~~
- ~~(2) The contract number must be shown in the upper right hand corner of each sheet.~~
- ~~(3) The letting date must be shown on each sheet.~~
- ~~(4) A revision date must be shown on each sheet if a revision to the itemized proposal has been issued.~~
- ~~(5) The bidder's printed name must be shown on each sheet.~~
- ~~(6) The sheet number must be shown on each sheet.~~
- ~~(7) A line or space must be placed between pay items.~~
- ~~(8) Item numbers must be placed in numerical order corresponding with those on the supplied itemized proposal sheets.~~
- ~~(9) Item descriptions, quantities, prices, and units must correspond with those shown on the supplied itemized proposal sheets.~~
- ~~(10) A unit price must be shown for each item, except lump sum may be entered in place of the unit price where appropriate.~~
- ~~(11) A price extension must be shown for each item.~~
- ~~(12) The total bid amount must be clearly indicated on the last sheet.~~
- ~~(13) The blank itemized proposal sheets furnished by the department must be included in the proposal book when submitted for letting, and all computerized itemized proposal sheets must be inserted in numerical order in front of the itemized proposal sheets furnished by the department.~~

(e) If a bidder states an incorrect item description, quantity, price, or unit, then the item description, quantity, price, or unit shown on the department's ~~itemized proposal sheets~~, **schedule of pay items**, will control. The department will:

- ~~(1) correct an incorrect item number if the bidder's intent is clear; The department will and~~
- ~~(2) compute the bid based on the:~~
 - ~~(A) item numbers shown on the bidder's computerized itemized proposal sheets; schedule of pay items and any corresponding item numbers the department corrects; the~~

Sec. 14. (a) **When the proposal form allows paper proposal bids to be accepted and** after the ~~proposals~~ **proposal bids** are opened and read, the ~~proposals~~ **proposal bids** will be compared on the basis of the summation of the products of the quantities shown in the department's ~~itemized proposal~~ **schedule of pay items** by the unit prices bid. If no unit price is shown for a pay item, the unit price will be determined by dividing the extension by the quantity shown in the department's ~~itemized proposal~~ **scheduled pay items**. If no extension or unit price is shown for one (1) pay item, the extension will be determined by subtracting the extensions from the contractor's total bid amount, provided that there are no errors in the contractor's extensions. The results of such comparisons will be available to the public. In the event of a discrepancy between unit prices bid and extensions, the unit prices bid will govern.

(b) The award of a contract, if it will be awarded, will be made after the opening of **proposal** bids to the lowest **and best** responsible and qualified bidder whose proposal **bid** complies with all the requirements prescribed in the proposal **form** and this article, provided the sum is not greater than the engineer's estimate.
