Re: Rule pursuant to [IC 7.1-3-1.5-16](#)

Dear Senator Young:

This is to notify you that pursuant to [IC 4-22-2-19](#), the Alcohol and Tobacco Commission (ATC) will not begin the rulemaking process within sixty (60) days after the effective date of the statute that authorizes the rule. [IC 7.1-3-1.5-16](#) mandates adoption of rules to carry out [IC 7.1-3-1.5](#) concerning certification of alcohol server training programs. The ATC first initiated the rulemaking process by publication of a notice of intent on July 5, 2006 (LSA #06-194). Although we have had discussions with interested parties, we were not prepared to move forward with a proposed rule during 2006.

The ATC is now ready to move forward and we expect to start the rule promulgation process immediately. The Notice of Intent to Adopt [*sic, a*] Rule was posted on the Indiana Register site on July 4, 2007, and the corresponding LSA number is 07-367.

If you have any further concerns or require additional information, please do not hesitate to contact me at 317-232-2472 or [uchoe@atc.in.gov](mailto:uchoe@atc.in.gov). Thank you for your consideration.

Sincerely,

U-Jung Choe  
Executive Secretary
