**Notice of Public Hearing**

Under [IC 4-22-2-24](#), notice is hereby given that on October 11, 2007, at 9:35 a.m., at the Indiana State Board of Animal Health, 805 Beachway Drive, Suite 50, Indianapolis, Indiana, the Indiana State Board of Animal Health will hold a public hearing on a proposed rule that amends [345 IAC 8](#) to incorporate the 2005 edition of the Pasteurized Milk Ordinance and the 2007 version of various federal rules establishing standards for dairy products.

The Indiana State Board of Animal Health (BOAH) is considering this rule because Indiana law requires the BOAH to adopt rules establishing standards for Grade A milk and milk products that are at least as effective in protecting public health as the standards adopted by the National Conference on Interstate Milk Shipments (NCIMS) in accordance with the NCIMS's memorandum of understanding with the United States Food and Drug Administration. [IC 15-2.1-23-6](#).

Copies of these rules are now on file at the Indiana State Board of Animal Health, 805 Beachway Drive, Suite 50 and Legislative Services Agency, One North Capitol, Suite 325, Indianapolis, Indiana and are open for public inspection.
