RE: LSA Document Number 07-541

Dear Representative Pelath:

On behalf of the Indiana State Board of Pharmacy, I am submitting this letter to the Administrative Rules Oversight Committee in compliance with [IC 4-22-2-25](#). In 2007, P.L.94-2007, SECTION 5 provided the Pharmacy Board with the authority to adopt rules concerning the qualifications, protocols, and record keeping requirements for a pharmacist to administer immunizations under [IC 25-26-13-31.2](#). According to the minutes of the Board and after several subcommittee meetings held in 2007 wherein the rule was drafted, the Board moved to publish the immunization rule on January 14, 2008.

P.L. 94-2007, SECTIONS 2 and 5, took effect on July 1, 2007. The Board published its notice of intent to adopt a rule for the above-captioned document on August 29, 2007 (DIN: [20070829-IR-856070541NIA](#)) within the sixty (60) day period required under [IC 4-22-2-19](#). The drafting of the rule took longer than anticipated. This resulted in the possibility that the promulgation process will not be completed within one year after publication of the notice of intent to adopt a rule as required by [IC 4-22-2-25](#).

To date, the proposed rule has not been published and a hearing date has not been set. The Board expects to publish the proposed rule in May 2008 and hold a public hearing in July 2008. In order to provide ample time to review comments received at the public hearing and for the appropriate review times, the Board expects to have the final rule approved by December 31, 2008.

Sincerely,

Marty Allain, Director
Indiana Board of Pharmacy
