ISSUE

I. Withholding Tax - Determination.

Authority: IC § 6-3-2-2.8; IC § 6-3-4-13; IC § 6-8.1-5-1.

The taxpayer seeks abatement of the withholding tax liability determined to be due for its shareholders.

STATEMENT OF FACTS

The taxpayer is an S corporation. The taxpayer failed to file Form WH-1s and withhold tax on its non-resident shareholders for the years ending December 31, 2004, and 2005. The taxpayer was assessed additional tax, which the taxpayer protested.

I. Withholding Tax - Determination

DISCUSSION

The taxpayer argues that the shareholders remitted the withholding tax for the year in question; therefore, the base tax liability (though not the twenty-percent penalty for failure to withhold) should be abated.

Pursuant to IC § 6-3-2-2.8:

Notwithstanding any provision of [IC 6-3-1](#) through [IC 6-3-7](#), there shall be no tax on the adjusted gross income of the following:

(1) Any organization described in Section 501(a) of the Internal Revenue Code, except that any income of such organization which is subject to income tax under the Internal Revenue Code shall be subject to the tax under [IC 6-3-1](#) through [IC 6-3-7](#).

(2) Any corporation which is exempt from income tax under Section 1363 of the Internal Revenue Code and which complies with the requirements of [IC 6-3-4-13](#). However, income of a corporation described under this subdivision that is subject to income tax under the Internal Revenue Code is subject to the tax under [IC 6-3-1](#) through [IC 6-3-7](#). A corporation will not lose its exemption under this section because it fails to comply with [IC 6-3-4-13](#) but it will be subject to the penalties provided by [IC 6-8.1-10](#).

(3) Banks and trust companies, national banking associations, savings banks, building and loan associations, and savings and loan associations.

(4) Insurance companies subject to tax under [IC 27-1-18-2](#), including a domestic insurance company that elects to be taxed under [IC 27-1-18-2](#).

(5) International banking facilities (as defined in Regulation D of the Board of Governors of the Federal Reserve System (12 CFR 204)). **(Emphasis added).**

According to IC § 6-3-4-13:

(a) Every corporation which is exempt from tax under [IC 6-3](#) pursuant to [IC 6-3-2-2.8](#)(2) shall, at the time that it pays or credits amounts to any of its nonresident shareholders as dividends or as their share of the corporation's undistributed taxable income, withhold the amount prescribed by the department. Such corporation so paying or crediting any nonresident shareholder:

(1) shall be liable to the state of Indiana for the payment of the tax required to be withheld under this section and shall not be liable to such shareholder for the amount withheld and paid over in compliance or intended compliance with this section; and

(2) when the aggregate amount due under [IC 6-3](#) and [IC 6-3.5](#) exceeds one hundred fifty dollars (\$150) per quarter, then such corporation shall make return and payment to the department quarterly, on such dates and in such manner as the department shall prescribe, of the amount of tax which, under [IC 6-3](#) and [IC 6-3.5](#), it is required to withhold.

(b) Every corporation shall, at the time of each payment made by it to the department pursuant to this section, deliver to the department a return upon such form as shall be prescribed by the department showing the total amounts paid or credited to its nonresident shareholders, the amount withheld in accordance with the provisions of this section, and such other information as the department may require. Every corporation withholding as provided in this section shall furnish to its nonresident shareholders annually, but not later than the fifteenth day of the third month after the end of its taxable year, a record of the amount of tax withheld on behalf of such shareholders on forms to be prescribed by the department.

(c) All money withheld by a corporation, pursuant to this section, shall immediately upon being withheld be the money of the state of Indiana and every corporation which withholds any amount of money under the

provisions of this section shall hold the same in trust for the state of Indiana and for payment thereof to the department in the manner and at the times provided in [IC 6-3](#). Any corporation may be required to post a surety bond in such sum as the department shall determine to be appropriate to protect the state of Indiana with respect to money withheld pursuant to this section.

(d) The provisions of [IC 6-8.1](#) relating to additions to tax in case of delinquency and penalties shall apply to corporations subject to the provisions of this section, and for these purposes any amount withheld, or required to be withheld and remitted to the department under this section, shall be considered to be the tax of the corporation, and with respect to such amount it shall be considered the taxpayer.

(e) Amounts withheld from payments or credits to a nonresident shareholder during any taxable year of the corporation in accordance with the provisions of this section shall be considered to be a part payment of the tax imposed on such nonresident shareholder for his taxable year within or with which the corporation's taxable year ends. A return made by the corporation under subsection (b) shall be accepted by the department as evidence in favor of the nonresident shareholder of the amount so withheld from the shareholder's distributive share.

(f) This section shall in no way relieve any nonresident shareholder from the shareholder's obligation of filing a return or returns at the time required under [IC 6-3](#) or [IC 6-3.5](#), and any unpaid tax shall be paid at the time prescribed by section 5 of this chapter.

(g) Instead of the reporting periods required under subsection (a), the department may permit a corporation to file one (1) return and payment each year if the corporation pays or credits amounts to its nonresident shareholders only one (1) time each year. The withholding return and payment are due on or before the fifteenth day of the third month after the end of the taxable year of the corporation.

(h) If a distribution will be made with property other than money or a gain is realized without the payment of money, the corporation shall not release the property or credit the gain until it has funds sufficient to enable it to pay the tax required to be withheld under this section. If necessary, the corporation shall obtain such funds from the shareholders.

(i) If a corporation fails to withhold and pay any amount of tax required to be withheld under this section and thereafter the tax is paid by the shareholders, such amount of tax as paid by the shareholders shall not be collected from the corporation but it shall not be relieved from liability for interest or penalty otherwise due in respect to such failure to withhold under [IC 6-8.1-10](#).

(j) A corporation described in subsection (a) may file a composite adjusted gross income tax return on behalf of some or all nonresident shareholders if it complies with the requirements prescribed by the department for filing a composite return. **(Emphasis added).**

IC § 6-8.1-10-2.1 states:

(a) If a person:

- (1) fails to file a return for any of the listed taxes;
- (2) fails to pay the full amount of tax shown on the person's return on or before the due date for the return or payment;
- (3) incurs, upon examination by the department, a deficiency that is due to negligence;
- (4) fails to timely remit any tax held in trust for the state; or
- (5) is required to make a payment by electronic funds transfer (as defined in [IC 4-8.1-2-7](#)), overnight courier, or personal delivery and the payment is not received by the department by the due date in funds acceptable to the department;

the person is subject to a penalty.

(b) Except as provided in subsection (g), the penalty described in subsection (a) is ten percent (10 [percent]) of:

- (1) the full amount of the tax due if the person failed to file the return;
- (2) the amount of the tax not paid, if the person filed the return but failed to pay the full amount of the tax shown on the return;
- (3) the amount of the tax held in trust that is not timely remitted;
- (4) the amount of deficiency as finally determined by the department; or
- (5) the amount of tax due if a person failed to make payment by electronic funds transfer, overnight courier, or personal delivery by the due date.

(c) For purposes of this section, the filing of a substantially blank or unsigned return does not constitute a return.

(d) If a person subject to the penalty imposed under this section can show that the failure to file a return, pay the full amount of tax shown on the person's return, timely remit tax held in trust, or pay the deficiency determined by the department was due to reasonable cause and not due to willful neglect, the department shall waive the penalty.

(e) A person who wishes to avoid the penalty imposed under this section must make an affirmative showing of all facts alleged as a reasonable cause for the person's failure to file the return, pay the amount of tax

shown on the person's return, pay the deficiency, or timely remit tax held in trust, in a written statement containing a declaration that the statement is made under penalty of perjury. The statement must be filed with the return or payment within the time prescribed for protesting departmental assessments. A taxpayer may also avoid the penalty imposed under this section by obtaining a ruling from the department before the end of a particular tax period on the amount of tax due for that tax period.

(f) The department shall adopt rules under [IC 4-22-2](#) to prescribe the circumstances that constitute reasonable cause and negligence for purposes of this section.

(g) A person who fails to file a return for a listed tax that shows no tax liability for a taxable year, other than an information return (as defined in section 6 of this chapter), on or before the due date of the return shall pay a penalty of ten dollars (\$10) for each day that the return is past due, up to a maximum of two hundred fifty dollars (\$250).

(h) A corporation which otherwise qualifies under [IC 6-3-2-2.8\(2\)](#) but fails to withhold and pay any amount of tax required to be withheld under [IC 6-3-4-13](#) shall pay a penalty equal to twenty percent (20 [percent]) of the amount of tax required to be withheld under [IC 6-3-4-13](#). This penalty shall be in addition to any penalty imposed by section 6 of this chapter.

(i) Subsections (a) through (c) do not apply to a motor carrier fuel tax return. **(Emphasis added).**

Under IC § 6-8.1-5-1(b), "The burden of proving that the proposed assessment is wrong rests with the person against whom the proposed assessment is made." An assessment is presumptively valid.

The taxpayer has provided sufficient information to conclude that the shareholder paid the base tax liability in question and therefore the S corporation should be credited with that payment.

FINDING

The taxpayer's protest is sustained.

CONCLUSION

The taxpayer's protest of the base tax liability is sustained.
