This document does not meet the definition of a "statement" required to be published in the Indiana Register under [IC 4-22-2-7](#). The purpose of this notice is to provide retailers of E-85 fuel with notice that the E-85 sales tax deduction limit of \$500,000 for the period from July 1, 2008 through June 30, 2009 has been exhausted.

[IC 6-2.5-7-5](#) and [IC 6-2.5-7-5.5](#) requires the Department to publish in the Indiana Register a notice announcing that the deduction program authorized under [IC 6-2.5-7-5\(c\)](#) is halted when the total amount of the sales tax deduction claimed for the sale of E-85 fuel exceeds the annual amount established for reimbursement according to [IC 15-15-12-30](#). E-85 sales tax deductions claimed for returns processed after October 30, 2008 will be denied. If a deduction already claimed is denied by the Department, additional claims will be allowed in the order in which they were received.
