RE: LSA Document #08-317 - Rule for Lead Safe Training

Dear Senator Young,

On behalf of the Indiana State Department of Health (Department), I am submitting this notice to the Administrative Rules Oversight Committee in compliance with [IC 4-22-2-25](#), because the Department has determined that the promulgation of the captioned rule may not be completed within one year after publication of the notice of intent to adopt a rule.

The Department published its notice of intent to adopt a rule for the captioned document on April 30, 2008. The Department is still determining how best to proceed with the above captioned rule. There are several steps left to complete before this rule can be approved. Thus promulgation of this rule may not be completed by April 30, 2009. The agency expects that the rule can be approved by the Governor by April 30, 2010.

This notice setting forth the expected date of approval of LSA [*Document*] #08-317 as April 30, 2010, is being submitted in a timely manner. January 5, 2009, is the two hundred and fiftieth day after publication of the notice of intent to adopt a rule.

Sincerely,

Loren Robertson  
Assistant Commissioner  
Public Health and Preparedness Commission  
Indiana State Department of Health
