**[IC 4-22-2.1-5](#) Statement Concerning Rules Affecting Small Businesses**

[IC 4-22-2.1-5](#)(a) provides that an agency that intends to adopt a rule under [IC 4-22-2](#) that will impose requirements or costs on small businesses must prepare a statement that describes the annual economic impact of the rule on small businesses after the rule is fully implemented as described in [IC 4-22-2.1-5](#)(b). That statement must be submitted to the Indiana Economic Development Corporation (IEDC). The IEDC is required to review the rule and submit written comments to the agency not later than seven days before the public hearing.

The proposed rule amends [68 IAC 7-1-10](#) to comply with [IC 4-21.5-3-14](#)(c), which places the burden of proof in administrative proceedings on the Indiana Gaming Commission (Commission). The rule also makes numerous technical changes.

**Estimated Number of Small Businesses Affected:**

The Commission estimates that the proposed rule will affect zero small businesses as defined in [IC 4-22-2.1-4](#).

**Estimated Administrative Costs Imposed on Small Businesses:**

The Commission estimates that there will be no administrative costs to small businesses as a result of compliance with the proposed rule.

**Estimated Total Annual Economic Impact on Small Businesses:**

None.

**Justification of Requirements or Costs:**

The Commission offers no justification of requirements or costs as the proposed rule imposes no requirements or costs on small businesses.

**Regulatory Flexibility Analysis:**

The Commission does not propose an alternative regulatory method since the proposed rule has no impact on small businesses. The Commission did not rely on studies in its decision not to employ alternatives to the proposed rule.
