Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on November 12, 2009, at 9:00 a.m., at the Indiana Government Center North, 100 North Senate Avenue, Room N1058, Department of Local Government Finance Conference Room, Indianapolis, Indiana, the Department of Local Government Finance will hold a public hearing on a proposed rule to repeal [50 IAC 11](#) governing administrative procedures for the state board of tax commissioners, the local government tax control board, and the school property tax control board in their review of local government financing projects because the review of local government financing projects by the entities referred to in [50 IAC 11](#) has been eliminated by the legislature.

The Department of Local Government Finance finds the rule necessary to ensure the public is not confused or misled with respect to the existence of such review procedures. The review of local government financing projects by the referenced entities was eliminated by HEA 1001-2009(ss). Because no financial impact is expected as a result of this rule, and because the rule simply repeals unnecessary procedures, no supporting data, studies, or analyses were relied upon by the Department in its determination that the rule will have no fiscal impact on state or local government. No revenues, appropriations, distributions, or expenditures will be required as a result of the repeal of [50 IAC 11](#). The rule will have no impact on small businesses.

Copies of the rule are available on the Department of Local Government Finance website at www.in.gov/dlgef.

Copies of these rules are now on file at the Indiana Government Center North, 100 North Senate Avenue, Room 1058 and Legislative Services Agency, One North Capitol, Suite 325, Indianapolis, Indiana and are open for public inspection.
