RE: LSA Document #09-478 – Telecommunications Rule

Dear Representative Pelath:

On behalf of the Indiana Utility Regulatory Commission (Commission), I am submitting this notice to the Administrative Rules Oversight Committee in compliance with [IC 4-22-2-25](#), because the Commission has determined that the promulgation of the captioned rule concerning telecommunications may not be completed within one year after publication of the Notice of Intent to Adopt a Rule. The Commission published its notice of intent in the Indiana Register on June 24, 2009 (DIN: [20090624-IR-170090478NIA](#)).

The Commission recently completed an extensive prerulemaking period. We believe the Proposed Rule will be sent to the Legislative Services Agency no later than March 10, 2010. Following this, we must have the public hearing and comment period and receive approval from the State Budget Agency (estimated to take six months). Then the rule packet must be approved by all the relevant state agencies (estimated to take three months). The Commission, therefore, expects that the rule can be approved by the Governor by no later than **January 31, 2011**.

This notice setting forth the expected date of approval of LSA Document #09-478 as January 31, 2011, is being submitted in a timely manner. March 1, 2010, is the two hundred fiftieth day after publication of the Notice of Intent to Adopt a Rule.

Sincerely,

Lorraine Hitz-Bradley
Assistant General Counsel
