Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on May 13, 2010, at 10:30 a.m., at the Indiana Gaming Commission, 101 West Washington Street, Suite 1600-East Tower, Executive Conference Room, Indianapolis, Indiana, the Indiana Gaming Commission will hold a public hearing on a proposed rule amending [68 IAC 11-3-2](#) concerning casino internal controls, amending [68 IAC 15-8-1](#) concerning a casino licensee's independent audit committee, amending [68 IAC 15-14](#) concerning financial statement audits, and making numerous administrative, ministerial, and technical changes.

The Indiana Gaming Commission has the authority to promulgate rules in accordance with the requirements of [IC 4-33](#) and [IC 4-35](#). It is estimated that zero small businesses in the gaming industry would be affected by this rule. The proposed rule may increase costs for casino companies if they need to add compensated members to their independent audit committees, add an independent director, or switch accounting firms due to the new regulations. These costs are impossible to estimate without examining each casino's board of directors and contracts with accounting firms. The Commission has relied solely on internal analysis regarding the imposition of costs.

Copies of these rules are now on file at the Indiana Gaming Commission, 101 West Washington Street, Suite 1600-East Tower and Legislative Services Agency, One North Capitol, Suite 325, Indianapolis, Indiana and are open for public inspection.
