The primary goals of the proposed rule are to (1) exempt funds in 529 College Savings Plans and Coverdell Education Savings Accounts from the asset test for eligibility in the TANF cash assistance program; (2) add caretaker relative to the list of individuals to whom potential harm or the threat of harm should be considered when determining good cause for failing to comply with child support enforcement and implementing minimum sanction penalty periods for individuals failing to cooperate with the IMPACT employment and training program; and (3) toughen penalties for clients who are noncompliant with the IMPACT program by requiring them to complete two weeks of activities to be in compliance. The proposed rule amendments would not impose any requirements or costs under [IC 4-22-2-24\(d\)\(3\)](#).

Anyone who wishes to comment on the proposed rule may attend the public hearing or submit written comments to: FSSA, Division of Family Resources, Attention: Jim Dunn, 402 West Washington Street, Room W363 MS 09, Indianapolis, IN 46204.
