

Notice of Rule Adoption

LSA Document #10-794

This notice is published in accordance with [IC 12-8-3-4.4](#). Under [IC 4-22-2-29](#), LSA Document #10-794, posted at [20110323-IR-405100794PRA](#), was adopted by the Secretary of Family and Social Services Administration on April 19, 2010. This rule amends [405 IAC 5-23-2](#) and [405 IAC 5-23-4](#) to revise the age of recipients subject to limitations on the initial examination from under 19 to under 21 years of age, to revise the age of recipients subject to the covered eyeglasses limitation from under 19 to under 21 years of age, and to amend the limitation from one pair every two years to one pair every five years. The change in covered eyeglasses for adults began on January 1, 2011, via emergency rule promulgation. The change in age for eyeglasses for children is a technical change to the rule to match federal regulations that FSSA/OMPP was already following. The rule that was adopted is the same version as the proposed rule that was published in the Indiana Register on March 23, 2011.
