
OFFICE OF THE SECRETARY OF FAMILY AND SOCIAL SERVICES

**Notice of Changes in Methods and Standards for Medicaid
Payments for Providers of Pharmacy Services**

In accordance with public notice requirements of 42 CFR 447.205 the Indiana Family and Social Services Administration, Office of Medicaid Policy and Planning (OMPP) publishes this notice of proposed changes to the reimbursement methodology for Medicaid services provided by enrolled pharmacy providers.

The OMPP proposes to modify reimbursement formulas by reducing the Medicaid dispensing fee maximum currently paid to pharmacy providers under the Medicaid state plan and state regulations at [405 IAC 5-24](#) from \$4.90 to \$3. This reduction shall be effective July 1, 2011, and continue through June 30, 2013. Beginning July 1, 2013, rates shall return to the level that was in effect prior to the reduction (\$4.90).

This change in reimbursement is necessary in order to avoid a budgetary shortfall and to remain within the available Medicaid appropriation. It is estimated that the fiscal impact of these changes will be a savings of state and federal expenditures of approximately \$22 million for SFY 2012 and \$22.7 million for SFY 2013.

These changes will be adopted in an emergency rule. A copy of this notice is now on file at the Indiana Government Center South, 402 West Washington Street, Room W451, Indianapolis, Indiana and open for public inspection. Also, a copy of this notice is now available and may be inspected by contacting the local county division of family resources office, except in Marion County, where public inspection may be made at 402 West Washington Street, Room W374, Indianapolis, Indiana.
