**TITLE 675 FIRE PREVENTION AND BUILDING SAFETY COMMISSION**

**Notice of Public Hearing**

LSA Document #11-84

**Notice of Public Hearing**

Under [IC 4-22-2-24](#), notice is hereby given that on September 16, 2011, at 10:00 a.m. EDT, at the Indiana Government Center South, 302 West Washington Street, Conference Center Room 14, Indianapolis, Indiana, the Fire Prevention and Building Safety Commission will hold a public hearing concerning a proposed rule to add [675 IAC 14-4.3-139.1](#) to amend the energy conservation provisions of the 2005 Indiana Residential Code and repeal [675 IAC 14-4.3-139](#).

The Fire Prevention and Building Safety Commission has authority to adopt this rule under [IC 22-13-2](#). This rule updates Chapter 11 of the 2005 Indiana Residential Code to reflect changes in nationally recognized energy conservation codes approved by the United States Department of Energy. The estimated fiscal impact of the rule on one, one or two family dwelling is \$1865.50. This cost is an unfunded mandate on any unit of government that builds a new one or two family dwelling.

Public comments are invited and may be directed to the Indiana Department of Homeland Security, Code Services Section, Attn: Mara Snyder, Indiana Government Center South, 302 West Washington Street, Room W246, Indianapolis, IN 46204.

Copies of these rules are now on file at the Indiana Government Center South, 302 West Washington Street, Room W246 and Legislative Services Agency, Indiana Government Center North, 100 North Senate Avenue, Room N201, Indianapolis, Indiana and are open for public inspection.

David Hannum  
Chairman  
Fire Prevention and Building Safety Commission
