RE: LSA Document #11-275 – Junketeers, Cards, Tokens, Chips, and Table Game Layouts

Dear Representative Thompson,

On behalf of the Indiana Gaming Commission (Commission), I am submitting this notice to the Administrative Rules Oversight Committee in compliance with [IC 4-22-2-25](#), because the Commission has determined that the promulgation of the above-captioned rule may not be completed within one year after publication of the Notice of Intent to Adopt a Rule. Due to an error in the timing of the Economic Impact Statement being delivered to the IEDC, a change in the date of the public hearing was necessary, delaying the promulgation process.

Following the public hearing, the agency must adopt the rule at a quarterly Commission business meeting and then submit the rule for approval from the appropriate state agencies. The agency expects the rule can be approved by the Governor by May 30, 2012.

This notice setting forth the expected date of approval of LSA Document #11-275 as May 30, 2012, is being submitted in a timely manner. January 9, 2011 [*sic*], is the two hundred fiftieth day after publication of the Notice of Intent to Adopt a Rule.

Sincerely,

Derek Young
Staff Attorney, Indiana Gaming Commission
