RE: LSA Documents #11-771 - Rule Regarding State Special Education Additional Pupil Count Expenditures

Dear Representative Thompson:

On behalf of the Indiana State Board of Education, I am submitting this notice to the Administrative Rules Oversight Committee in compliance with [IC 4-22-2-19](#), which requires an agency to begin the rulemaking process not later than sixty (60) days after the effective date of the statute that authorizes the rule.

The special education expenditures statute became effective on July 1, 2011, but due to additional collaboration with numerous stakeholders, the rulemaking process was started more than sixty (60) days after the effective date of the statute. The notice of intent for this rule was published in the Indiana Register on December 14, 2011 (DIN: [20111214-IR-511110771NIA](#)).

If you need additional information, please do not hesitate to contact me at 232-0592.

Sincerely,

Michelle McKeown
Director of Legal Affairs
Indiana Department of Education
