IC 4-22-2.1-5 Statement Concerning Rules Affecting Small Businesses

The proposed rule will not impose requirements or costs on small businesses under [IC 4-22-2.1-5](#). This rule will make legal citation references consistent with amendments to [IC 15-16-4](#) and [IC 15-16-5](#), will consolidate two existing pesticide civil penalty rules into one comprehensive rule, will repeal a rule requiring annual consultant registration of pesticide retailers, and will clarify pesticide storage and spill cleanup procedures for wellhead protection areas. Because some previously existing regulatory requirements are being repealed and no new regulatory requirements are being created, this rule will not impose any compliance costs to small businesses.
