**FIRE PREVENTION AND BUILDING SAFETY COMMISSION**

**Interpretation by  
the Fire Prevention and Building Safety Commission**

**Title:** Interpretation of [675 IAC 13-2.5-28](#) - Table 29

**Date:** April 2, 2014

**Purpose:** The purpose of this nonrule policy document is to clarify the application of Table 29 to S occupancies.

**Interpretation:**

The requirements of Table 29 do not apply to an S occupancy that meets the following conditions:

- (1) The building is normally unoccupied;
- (2) The building does not have any plumbing system inside;
- (3) Plumbing fixtures are not otherwise required by other rules of the Commission; and
- (4) The building is unheated.
