**TITLE 345 INDIANA STATE BOARD OF ANIMAL HEALTH**

**Notice of Public Hearing**  
LSA Document #14-57

**Notice of Public Hearing**

Under [IC 4-22-2-24](#), notice is hereby given that on July 10, 2014, at 9:40 a.m., at the Indiana State Board of Animal Health, 1202 East 38th Street, Discovery Hall Suite 100, Indianapolis, Indiana, the Indiana State Board of Animal Health will hold a public hearing on a proposed rule that amends [345 IAC 1](#) governing the traceability of livestock and poultry moving interstate. The primary purpose of the proposed rule is to conform Indiana State Board of Animal Health's rules to the new United States Department of Agriculture - Animal and Plant Health Inspection Service (APHIS) requirements at 9 CFR Part 86 that establish minimum national official identification and documentation requirements for the traceability of livestock and poultry moving interstate, including officially identifying covered animals and moving animals with a certificate of veterinary inspection or other documentation. The proposed rule also makes numerous changes to [345 IAC 1](#) in order to clarify intrastate livestock and poultry documentation and identification requirements. The rule makes amendments to each article within Title 345 in order to align definitions with 9 CFR Part 86, relocate disease-specific requirements for livestock and poultry that are currently set forth in [345 IAC 1](#), and make technical updates and changes.

The proposed rule does not impose costs beyond what is expressly required by state and federal law. Therefore, the proposed rule does not impose costs on a regulated entity that would require a justification statement under [IC 4-22-2-24\(d\)\(3\)](#).

Copies of these rules are now on file at the Indiana State Board of Animal Health, 1202 East 38th Street, Discovery Hall Suite 100 and Legislative Services Agency, Indiana Government Center North, 100 North Senate Avenue, Room N201, Indianapolis, Indiana and are open for public inspection.
