LSA Document #13-497

June 11, 2014

RE: LSA Document #13-497 – Proposed rule allowing hospitals to make Medicaid presumptive eligibility determinations and including criteria for monitoring and sanctioning nonperforming hospitals.

On behalf of the Indiana Family and Social Services Administration, I am submitting this notice to the Publisher of the Indiana Register pursuant to the Indiana Administrative Code in compliance with [IC 4-22-2-25](#), which requires that a notice be sent to the Publisher if a rule will not be approved or deemed approved by the Governor within one year of publication of the Notice of Intent to Adopt a Rule. This notice is to be submitted to the Publisher before the two hundred fiftieth day following the publication of the Notice of Intent to Adopt a Rule.

The Notice of Intent to Adopt a Rule was published in the Indiana Register on November 6, 2013 (DIN: [20131106-IR-405130497NIA](#)).

Certain standards set forth in the proposed rule depend upon performance metrics from first quarter 2014, which are still being compiled. As such, the Indiana Family and Social Services Administration anticipates it will be unable to complete the rulemaking process by November 6, 2014. Approval or deemed approval by the Governor is expected not later than November 6, 2015.

This notice setting forth the expected date of approval or deemed approval of LSA Document #13-497 is being submitted in a timely manner. July 14, 2014, is the two hundred fiftieth day after publication of the Notice of Intent to Adopt a Rule.
