On behalf of the Fire Prevention and Building Safety Commission (Commission), I am submitting this notice to the Publisher of the Indiana Register and the Indiana Administrative Code in compliance with [IC 4-22-2-25](#), which requires that a notice be sent the Publisher if a rule will not be approved or deemed approved by the Governor within one year of publication of the Notice of Intent to Adopt a Rule. This notice is to be submitted to the Publisher before the two hundred fiftieth day following the publication of the Notice of Intent to Adopt a Rule.

This Notice of Intent to Adopt of Rule was published in the Indiana Register on September 30, 2015 (DIN: [20150930-IR-675150332NIA](#)).

Due to extended research involved in completing the fiscal impact statement, the Commission will not be able to complete the rulemaking process by September 30, 2016. Approval or deemed approval by the Governor is expected not later than May 31, 2017.
