Affected: [IC 25-22.5](#); [IC 25-23.4](#)

Sec. 1. This rule establishes requirements for certification, certification fees, continuing education requirements, peer review procedures, collaboration requirements, standards of competent practice, and emergency care plans for certified direct entry midwives.

(Medical Licensing Board of Indiana; [844 IAC 17-1-1](#); filed Apr 20, 2017, 9:26 a.m.: [20170517-IR-844150448FRA](#))

[844 IAC 17-1-2](#) Definitions

Authority: [IC 25-22.5-2-7](#); [IC 25-23.4-2-6](#)

Affected: [IC 25-22.5](#); [IC 25-23.4](#)

Sec. 2. The definitions in [IC 25-23.4-1](#) apply throughout this rule.

(Medical Licensing Board of Indiana; [844 IAC 17-1-2](#); filed Apr 20, 2017, 9:26 a.m.: [20170517-IR-844150448FRA](#))

[844 IAC 17-1-3](#) Application requirements

Authority: [IC 25-22.5-2-7](#); [IC 25-23.4-2-6](#)

Affected: [IC 25-22.5](#); [IC 25-23.4](#)

Sec. 3. (a) An applicant for certification as a certified direct entry midwife shall file an application on a form supplied by the board and submit the fees required by section 4 of this rule.

(b) In addition to the requirements of [IC 25-23.4-3-1](#), the applicant for certification shall provide the following:

(1) A notarized or certified copy of the applicant's Certified Professional Midwife credentials conferred by the North American Registry of Midwives or its successor organization.

(2) A certified copy of the original postsecondary educational institution diploma from which the applicant graduated. The following are requirements in the event that such diploma has been lost or destroyed:

(A) The applicant shall submit, in lieu thereof, a statement under the signature and seal of the dean of the postsecondary educational institution from which the applicant graduated, stating that the applicant has satisfactorily completed the prescribed course of study, the actual degree conferred, and the date of graduation.

(B) The applicant shall submit an affidavit fully and clearly stating the circumstances under which

his or her diploma was lost or destroyed.

(C) In exceptional circumstances, the board may accept, in lieu of a diploma or certified copy thereof, other types of evidence, which establish that the applicant received a diploma and completed all academic requirements relating thereto.

(3) An original transcript of the applicant's postsecondary education, including the degree conferred and the date the degree was conferred. If an original transcript is not available, the applicant must submit the following:

(A) A notarized or certified copy of the original transcript, which must include the degree conferred and the date the degree was conferred.

(B) An affidavit fully and clearly stating the reasons that an original transcript is not available.

(4) The applicant shall submit evidence of the following to the board:

(A) Satisfactory completion of an educational curriculum approved by the Midwifery Education Accreditation Council or a successor organization, or the educational equivalent of a Midwifery Education Accreditation Council curriculum approved by the board.

(B) Documented practical experience as outlined in the Certified Professional Midwife credentialing process in accordance with the standards of the North American Registry of Midwives or a successor organization.

(C) Certification in adult cardiopulmonary resuscitation conferred by an accredited association approved by the board.

(D) Completion of the American Academy of Pediatrics program in neonatal resuscitation, excluding endotracheal intubation and the administration of drugs.

(E) Completion of the Certified Professional Midwife credentialing process birth requirements, observation of an additional twenty (20) births, attendance at an additional twenty (20) births conducted by a physician, assistance with an additional twenty (20) births, and acting as the primary attendant for an additional twenty (20) births. The additional births must take place in the United States, and all births except the additional twenty (20) births conducted by a physician, must be overseen by a preceptor approved by the North American Registry of Midwives.

(F) Completion of an emergency skills training course approved by the North American Registry of Midwives for inclusion in the Midwifery Bridge Certificate Program, which includes course material as required by [IC 25-23.4-3-2\(2\)](#).

(G) Proof of maintaining a liability insurance policy that at a minimum provides coverage of one hundred thousand dollars (\$100,000) per incident and three hundred thousand dollars (\$300,000) yearly aggregate.

(5) Where the name on any document differs from the applicant's name, a notarized or certified copy of a marriage certificate or legal proof of name change must be submitted with the application.

(6) All applicants who are now, or have been, licensed to practice any health profession in another state must submit verification of license status. This information must be sent by the state that issued the license directly to the board.

(Medical Licensing Board of Indiana; [844 IAC 17-1-3](#); filed Apr 20, 2017, 9:26 a.m.: [20170517-IR-844150448FRA](#))

- (2) at least one (1) hour every two (2) years in each of the following:
 - (A) Emergency life support procedures.
 - (B) Identification of high risk births for mothers.
 - (C) Identification of potential complications during labor.

At least fifty percent (50%) of these hours must be obtained from courses attended in person.

(b) In addition to courses offered or approved by an approved organization pursuant to [IC 25-1-4-0.2](#), board approved continuing education courses include courses offered or approved by the following:

- (1) Certifying bodies accepted by the North American Registry of Midwives.
- (2) The Indiana Midwives Association.
- (3) The American Academy of Pediatrics.
- (4) The American College of Nurse Midwives.
- (5) Other organizations who provide coursework relevant to the practice of midwifery as approved by the board.

(Medical Licensing Board of Indiana; [844 IAC 17-1-6](#); filed Apr 20, 2017, 9:26 a.m.: [20170517-IR-844150448FRA](#))

[844 IAC 17-1-7](#) Peer review

Authority: [IC 25-22.5-2-7](#); [IC 25-23.4-2-6](#)

Affected: [IC 25-22.5](#); [IC 25-23.4](#)

Sec. 7. (a) A certified direct entry midwife shall participate in an approved peer review session at least twice a year.

(b) An approved peer review session is a peer review session as follows:

- (1) Sponsored by one (1) of the following organizations:
 - (A) The North American Registry of Midwives.
 - (B) The Indiana Midwives Association.
 - (C) The Association of Indiana Midwives.
 - (D) Any other state or national midwifery organization approved by the board.
- (2) Where at least four (4) of the participants present are any of the following:
 - (A) A certified professional midwife.
 - (B) A certified direct entry midwife.
 - (C) A certified nurse midwife.

(c) In addition to the requirements of subsection (b), a certified direct entry midwife shall participate in and have reviewed in an approved peer review session, within six (6) months, any cases resulting in:

- (1) death of a client or client's child;
- (2) intrapartum or postpartum transport of a client from the planned delivery location to a hospital, urgent care center, physician's office, or similar facility for further care or treatment; or
- (3) significant adverse event or injury to the client or client's child, whether temporary or permanent in nature.

(d) When renewing a certificate, a certified direct entry midwife shall attest under the penalties of perjury that they have participated in approved peer review sessions as required by this section.

[844 IAC 17-1-8](#) Physician collaboration requirements

Authority: [IC 25-22.5-2-7](#); [IC 25-23.4-2-6](#)

Affected: [IC 25-22.5](#); [IC 25-23.4](#)

Sec. 8. (a) In addition to the requirements of [IC 25-23.4-5](#), a certified direct entry midwife shall enter into a collaborative agreement with a physician holding an unrestricted license to practice medicine in Indiana. The collaborating physician shall be actively engaged in the practice of obstetrics and shall have staff membership privileges at the designated hospital in the client's emergency care plan, or have coverage arrangements with another physician who has obstetrical/gynecological privileges at the designated hospital.

(b) A collaborating physician may not enter into more than four (4) collaborative agreements, without board approval, at any given time.

(c) Unless the board approves otherwise, the planned location of a delivery attended by a certified direct entry midwife shall be either:

- (1) within the county or adjoining county, or ninety (90) miles, whichever is further, from the collaborating physician's primary practice location; or
- (2) within the county or adjoining county, or sixty (60) miles, whichever is further, from the hospital designated in the client's emergency care plan as the location where the client can receive emergency care.

(d) When considering whether to approve more than four (4) collaborative agreements, or to permit a longer distance between the collaborating physician's primary practice location or the hospital designated in the client's emergency care plan and the planned location of a delivery, the board shall consider the physician's ability to collaborate with the certified direct entry midwife in a manner that protects the client's safety. The burden is on the certified direct entry midwife and collaborating physician to establish that the collaboration will not be harmful to the client.

(e) A collaborating physician shall review a certified direct entry midwife's client encounters in accordance with [IC 25-23.4-5-1](#). A collaborating physician shall also review all certified direct entry midwife's client encounters resulting in:

- (1) death of a client or client's child;
- (2) intrapartum or postpartum transport of a client from the planned delivery location to a hospital, urgent care center, physician's office, or similar facility for further care or treatment;
- (3) significant adverse event or injury to the client or client's child, whether temporary or permanent in nature; or
- (4) transfer of care if required by section 9 of this rule.

(f) Collaboration may occur in either face-to-face encounters, or by electronic or other telecommunication means.

(Medical Licensing Board of Indiana; [844 IAC 17-1-8](#); filed Apr 20, 2017, 9:26 a.m.: [20170517-IR-844150448FRA](#))
