Affected: [IC 9-13-2](#); [IC 9-32](#)

Sec. 6. (a) Research and development **license** plates may be issued to a manufacturer of a vehicle subcomponent system who is properly licensed under [IC 9-32](#).

(b) Research and development **license** plates may be placed on **motor** vehicles in the manufacturer's inventory for:

- (1) the purpose of testing a **motor** vehicle's subcomponent system;
- (2) the purpose of studying a **motor** vehicle's subcomponent system; or
- (3) transporting a **motor** vehicle to a testing facility.

(c) Application for research and development **license** plates must include the following:

- (1) The manufacturer license number.
- (2) An explanation of the use for the research and development plate.
- (3) Proof of manufacturing a vehicle subcomponent system.

(d) Research and development **license** plates under this section shall not be used on **motor** vehicles required to be registered or upon any **motor** vehicle for which the manufacturer received compensation from individuals other than the manufacturer's employees.

(e) Research and development **license** plates may not be used to circumvent the registration of individual motor vehicles as required by law or the payment of sales tax or ~~automobile~~ **motor vehicle** excise taxes on those **motor** vehicles.

~~(f) Research and development plates shall not be:~~

- ~~(1) loaned;~~

- (2) leased;
- (3) sold;
- (4) transferred;
- (5) copied;
- (6) altered; or
- (7) reproduced.

(Secretary of State; [75 IAC 6-3-6](#); filed Aug 15, 2014, 9:57 a.m.: [20140910-IR-075130566FRA](#); filed Dec 14, 2017, 1:16 p.m.: [20180110-IR-075160435FRA](#))

SECTION 26. [75 IAC 6-3-7](#) IS AMENDED TO READ AS FOLLOWS:

[75 IAC 6-3-7](#) Number of license plates issued

Authority: [IC 9-32-3-1](#)

Affected: [IC 9-32](#)

Sec. 7. (a) The secretary of state retains the discretion to determine or limit the number of dealer **license** plates ~~manufacturer plates, and wholesale dealer plates~~ issued to any licensed location or licensee: **a dealer or manufacturer.**

(b) The secretary of state may take the following formula into consideration when issuing dealer **license** plates to any licensed location or licensee: **a dealer:**

STEP ONE: Determine the total number of **motor** vehicles (both retail and wholesale) sold, or projected sold, by the applicant in a license year.

STEP TWO: Determine the number of licensed months the applicant was in business during the license year.

STEP THREE: Divide the number in STEP ONE by the number in STEP TWO.

For example, a total annual sales of one hundred twenty (120) **motor vehicles** divided by twelve (12) months equals ten (10) **license** plates.

(c) The secretary of state may take the following formula into consideration when issuing manufacturer **license** plates to any licensed location or licensee: **a manufacturer:**

STEP ONE: Determine the total number of vehicles evaluated or tested under any type of evaluation or testing program or under the control of the manufacturer for which property taxes were assessed.

STEP TWO: Determine the number of licensed months the manufacturer was in business during the license year.

STEP THREE: Divide the number in STEP ONE by the number in STEP TWO.

For example, a total evaluated or tested vehicles per year of one thousand two hundred (1,200) divided by twelve (12) equals one hundred (100) plates.

(1) The type of motor vehicle the manufacturer constructs or assembles.

(2) How many motor vehicles the manufacturer produced in the previous twelve (12) months or calendar year.

(3) The manufacturer's intended primary use of the license plates.

(4) The nature of the manufacturer's business.

(d) A manufacturer applying for manufacturer plates under subsection (d) must file a report with the secretary of state each year stating the ratio of vehicles tested per vehicles manufactured as a condition of approval of the application. The report of the ratio must include the following:

(1) The total number of vehicles manufactured per year.

(2) The total number of vehicles evaluated or tested per year.

(3) The number of vehicles for which property taxes were assessed.

(4) A detailed listing of how the plates are to be distributed to any of its licensed factory branches or divisions.

A report of product evaluation program identifying all product evaluation vehicles, designees, and manufacturer plate assignments must be filed by the manufacturer or its subsidiary division on a quarterly basis. Manufacturer plates issued under subsection (d) shall be distributed to its subsidiary divisions or factory branches as indicated on the report of ratio.

SECTION 27. [75 IAC 6-3-8](#) IS AMENDED TO READ AS FOLLOWS:

[75 IAC 6-3-8](#) Interim license plates; restrictions on use

Authority: [IC 9-32-3-1](#)

Affected: [IC 9-32-4](#)

Sec. 8. (a) The secretary of state retains the discretion to determine the number of interim **license** plates available to the **a properly licensed** dealer for issuance based upon **factors including**, but not limited to, the:

- (1) number of **motor** vehicles sold **by the dealer**; or
- (2) dealer's ~~or manufacturer's~~ projected sales.

(b) Requirements for the use of interim **license** plates shall be as follows:

~~(1) Under [IC 9-32-6-11](#), interim plates may be utilized only by the operator of a motor vehicle for a period not to exceed thirty one (31) days after the date of sale.~~

~~(2) (1)~~ Only one (1) interim **license** plate may be issued by a dealer to the purchaser of a motor vehicle. No additional interim **license** plates may be issued for the motor vehicle for any reason.

~~(3) (2)~~ Interim **license** plates may not be utilized on the following **motor** vehicles:

(A) A **motor** vehicle owned **by** or in the inventory of a licensed dealer.

(B) **Motor** vehicles sold on consignment by a dealer.

~~(4) (3)~~ The dealer must provide ownership documents, including title or title affidavit, as prescribed in [IC 9-32-4](#), to the purchaser at the time the interim **license** plate is issued.

~~(5) (4)~~ Interim **license** plates may not be utilized on **motor** vehicles sold to dealers at automobile auctions.

(5) Interim license plates may not be utilized on salvage vehicles.

~~(c) Requirements for the interim plate log shall be as follows:~~

~~(4) (c)~~ All dealers utilizing interim **license** plates must maintain a log recording the issuance of each **license** plate **as follows**:

~~(2) (1)~~ The interim **license** plate log shall include, ~~but is not limited to~~, **at a minimum**, the following:

(A) ~~An~~ The interim **license** plate ~~control~~ number by ~~control~~ number sequence.

(B) The name and address of the party to whom the interim **license** plate was issued.

(C) The make, model, and year of the **motor** vehicle to which the plate is to be affixed.

(D) The manufacturer's vehicle identification number.

(E) The date of issuance of the interim **license** plate.

(F) Comments in a comments section as necessary.

~~(3) (2)~~ The interim **license** plate log shall be maintained continuously for a period of three (3) years.

(3) If permitted by the secretary, the dealer may maintain the interim license plate log electronically in a form approved by the secretary.

SECTION 28. [75 IAC 6-3-9](#) IS ADDED TO READ AS FOLLOWS:

[75 IAC 6-3-9](#) Dealer promotional plates

Authority: [IC 9-32-3-1](#); [IC 9-32-6-2](#)

Affected: [IC 9-32](#)

Sec. 9. (a) Dealer promotional license plates may be issued to manufacturers, watercraft dealers, and dealers licensed as dealer-new or dealer-used.

(b) A request for promotional license plates must be on a form prescribed by the secretary. The design or image the dealer wishes to appear on the promotional license plates must be included with the request.

(c) The secretary must approve the design of the dealer's promotional license plates. Following the

secretary's approval of the dealer's promotional license plate design, the dealer shall be solely responsible for satisfying the requirements of the license plate vendor, as chosen by the secretary of state, to prepare the dealer's license plate design for production and fulfillment by the vendor.

(d) Promotional license plates are subject to the same use restrictions as dealer license plates.

(e) Promotional license plates issued to a dealer will be included when calculating the total number of dealer license plates that have been issued to a dealer and making a determination under section 7 of this rule as to whether a dealer may be issued additional dealer license plates.

SECTION 31. [75 IAC 6-3-12](#) IS ADDED TO READ AS FOLLOWS:

[75 IAC 6-3-12](#) Dealer designee license plate assignment

Authority: [IC 9-32-3-1](#)

Affected: [IC 9-32](#)

Sec. 12. (a) Assignments of dealer designee license plates are subject to the following restrictions:

- (1) A dealer designee license plate may only be assigned to a designee by a dealer with a valid license under [IC 9-32](#).**
- (2) A dealer designee license plate cannot be assigned to a designee for more than one hundred eighty (180) days. At the secretary's discretion, a ninety (90) day extension may be granted upon written request.**
- (3) A dealer designee license plate may not to be used to circumvent the registration of a motor vehicle or watercraft as required by law or the payment of sales tax or motor vehicle excise taxes on that motor vehicle or watercraft. Continued assignment of a dealer designee license plate to the same**

person may be considered an effort to circumvent the registration of a motor vehicle or watercraft.

(4) Assignment of a dealer designee license plate is subject to the approval of the secretary of state. The secretary may revoke or withdraw approval and terminate a dealer designee license plate assignment if:

(A) the assigning dealer's license under [IC 9-32](#) is revoked or suspended; or

(B) it is determined that the assignment or use of the dealer designee license plate by the designee is not in accordance with state or federal law.

(b) A dealer designee license plate may only be used on a motor vehicle or watercraft if:

(1) the dealer designee license plate has been properly assigned under section 13 of this rule to a designee by the dealer to which the dealer designee license plate was issued by the secretary of state under [IC 9-32-6.5-1](#); and

(2) the motor vehicle or watercraft on which the dealer designee license plate is displayed is a motor vehicle or watercraft from the assigning dealer's inventory of which the assigning dealer has granted the designee use.

(c) A dealer may receive not more than ten (10) dealer designee plates. A request for additional dealer designee license plates may be made in a manner prescribed by the secretary. The issuance of additional dealer designee license plates is subject to approval of the secretary.

(d) A dealer designee license plate may not be assigned to another dealer.

(e) A dealer shall notify the secretary of state in a manner prescribed by the secretary of state within ten (10) business days when an assignment has been terminated earlier than the date reflected on the assignment form.

(f) Proof of financial responsibility in the amounts required by law covering the vehicle to which the dealer designee license plate is affixed must be carried in the vehicle at all times.
