

## OFFICE OF THE SECRETARY OF FAMILY AND SOCIAL SERVICES

**Clarification Notice Regarding the Renewal to the  
Child Mental Health Wraparound State Plan Benefit**

In December 2017, the Indiana Family and Social Services Administration (FSSA) Division of Mental Health and Addiction Youth Services (DMHA-Y) submitted a proposed renewal to the Child Mental Health Wraparound (CMHW) State Plan Benefit to the Centers for Medicare and Medicaid Services (CMS) for consideration. The CMHW renewal was made available for review and public comment from November 15, 2017, to December 15, 2017. This notice is a clarification to the public notice issued at that time. The clarification notice will be made available for review and public comment from March 14, 2018, to April 13, 2018.

The renewal to the CMHW included information regarding changes made to the CMHW program, which will have an effective renewal date of July 1, 2018, contingent on CMS approval. Changes include clarification of settings requirements for HCBS to bring all sites providing CMHW services into compliance with federal regulations and an extension of services into the member's 18th year of age, so long as eligibility is met. Due to the extension of services, program enrollment will have an estimated overall increase of 3.2%.

The renewal updated provider qualifications for Wraparound Facilitation, Respite, Habilitation, and Training and Support for Unpaid Caregivers. The renewal included a provider rate increase for Respite and Wraparound Facilitation as a result of recently conducted rate review. These changes are to increase the workforce in underserved areas with the plan to increase service to members. The tables below represent the rate increases and fiscal impact of the rate increases. Projected expenditures were adjusted to reflect the new rate for each service. No change in utilization was projected for any of the services.
