Affected: [IC 4-31](#)

Sec. 9. (a) The judges shall maintain a judge's list of the horses that are ineligible to be entered in a race because of poor or inconsistent performance or behavior on the race track that may endanger the health and safety of the participants and for the protection of the wagering public. - (2) Making a break in a race following a qualifying race, if on the list for breaks, unless finishing first, second, or third. Two (2) year old nonwagering purse races for three hundred dollars (\$300) or less shall be considered a qualifying race.
- (3) Poor performance or failure to go in a qualifying time.
- (4) Poor performance in a qualifying race regardless of going in qualifying time.
- (5) Making breaks in two (2) consecutive starts unless finishing first, second, or third in one (1) of the two (2).

(c) Horses that are on the judge's list or are not eligible to compete due to the qualifying standards at the Indiana pari-mutuel race track may be allowed to compete in "paid in events" if they have a clean line in qualifying time in the last thirty (30) days (race date to race date) unless declared ineligible under subsection (f) or (g).

(d) The judges may place a horse on the judge's list when there exists a question as to the exact identification, ownership, or trainer of a horse.

(e) A horse may not be released from the judge's list without permission of the judges.

(f) Qualifying standards shall not be waived for non-Indiana late closers, Indiana sire stakes finals, late closer finals, and all "paid in events" if there exists a compromise with the health and safety of the participants in those races.

(g) Horses that are placed on the vet's or judge's list as sick, lame, or injured for a specified number of days, which includes the race date or are required to qualify before racing by the vet or starter, shall not be eligible to race under subsection (c).

71 IAC 6-1-3 Claiming procedure

Authority: [IC 4-31-3-9](#)

Affected: [IC 4-31](#)

Sec. 3. (a) A person desiring to claim a horse must have the required amount of money on deposit with the horsemen's bookkeeper at the time the completed claim form is deposited.

(b) The claimant shall provide all information required on the claim form provided by the association.

(c) The claim form shall be completed and signed by the claimant or his authorized agent prior to placing it and the necessary transfer fees in an envelope provided for this purpose by the association and approved by the commission. The claimant shall seal the envelope and identify on the outside the date, race number, and track name only.

(d) The envelope shall be delivered to the designated area or licensed delegate at least thirty (30) minutes before post time of the race from which the claim is being made. That person shall certify on the outside of the envelope the time it was received.

(e) The claim shall be examined by the judges or their designee prior to the start of the race. The association's designee shall be prepared to state whether sufficient funds are on deposit in the amount equivalent to the specified claiming price and any other required fees and taxes. The judges shall have a public announcement made and information scrolled on the simulcast video stating there has been a claim made or, in the case of multiple claims, the number of claims made on a horse during the post parade. The successful claimant will be announced after the completion of the race.

(f) The judges shall disallow any claim made on a form or in a manner which fails to comply with all requirements of this rule.

(g) Documentation supporting all claims for horses, whether successful or unsuccessful, shall include details of the method of payment either by way of:

(1) a photostatic copy of the check presented;

(2) written detailed information to include:

(A) the name of the claimant;

(B) the bank;

(C) the branch;

(D) the account number; and

(E) the drawer of any checks; or

(3) details of any other method of payment.

This documentation is to be kept on file at race tracks for twelve (12) months and is to be produced to the commission for inspection at any time during the twelve (12) month period.

(h) When a claim has been submitted, it is irrevocable and is at the risk of the claimant.

(i) In the event more than one (1) claim is submitted for the same horse, the successful claimant shall be determined by lot by the judges or their designee, and all unsuccessful claims involved in the decision by lot shall, at that time, become null and void, notwithstanding any future disposition of such claim.

(j) Upon determining that a claim is valid, the judges shall notify the paddock judge of:

(1) the name of the horse claimed;

(2) the name of the claimant; and

(3) the name of the person to whom the horse is to be delivered.

Also, the judges shall cause a public announcement to be made.

(k) Every horse entered in a claiming race shall race for the account of the owner who declared it in the event,

but title to a claimed horse shall be vested in the successful claimant from the time the horse is deemed to have started, and the successful claimant shall become the owner of the horse, whether it be alive or dead, sound or unsound, or injured during or after the race. A horse entered in a claiming race cannot be sold or transferred until the completion of the race.

(l) A horse entered in a claiming race cannot be scratched from a claiming race for the purpose of being sold privately.

(m) A post-race test may be taken from any horse claimed out of a claiming race. The trainer of the horse at the time of entry for the race from which the horse was claimed shall be responsible for the claimed horse until the post-race sample is collected. The horse's halter must accompany the horse. Altering or removing the horse's shoes will be considered a violation. The successful claimant/trainer shall have the right to measure the horse's hobbles and any other equipment that he deems necessary before the horse leaves the test barn. The claimant or his/her authorized designee shall be permitted access into the test barn. The equipment must remain on the claimed horse until the claimant or his/her designee has an opportunity to measure hobbles or any other equipment he deems necessary.

(n) Any person who refuses to deliver a horse legally claimed out of a claiming race shall be suspended, together with the horse, until delivery is made.

(o) A claimed horse shall not:

- (1) be eligible to start in any race in the name or interest of the owner of the horse at the time of entry for the race from which the horse was claimed;
- (2) remain in or be returned to the same stable or to the care or management of the first owner or trainer; or
- (3) be sold or transferred to anyone;

for a period of sixty (60) days unless reclaimed out of another claiming race.

(p) The claiming price shall be paid to the owner at the time of entry for the race from which the horse was claimed only when the successful claimant is not in pending status by the USTA, the judges are satisfied that the claim is valid, and the successful claimant is recognized as the owner of record.

(q) The judges, at the option of the claimant, shall rule a claim invalid if the horse has been found ineligible to the race from which it was claimed.

(r) Mares and fillies that are in foal are ineligible for claiming races. Upon receipt of the horse, if a claimant determines within forty-eight (48) hours that a claimed filly or mare is in foal, he or she may, at his or her option, return the horse to the owner of the horse at the time of entry for the race from which the horse was claimed.

(s) If a claimant demonstrates that the sex of the horse is other than reported in the official racing program, he or she may, within forty-eight (48) hours of the claim, at his or her option, return the horse to the owner of the horse at the time of entry for the race from which the horse was claimed. The judge shall rule the claim of the returned horse invalid.

(t) If the post-race serum or plasma sample of the horse contains cobalt in excess of the threshold established in [71 IAC 8-1-9](#), the claimant will be notified of the test result and he or she may, within forty-eight (48) hours of notification, at his or her option, return the horse to the owner of the horse at the time of entry for the race from which the horse was claimed.

(u) When the judges rule that a claim is invalid and the horse is returned to the owner of the horse at the time of entry for the race in which the invalid claim was made:

- (1) the amount of the claiming price and any other required fees and taxes shall be repaid to the claimant;
- (2) any purse monies earned subsequent to the date of the claim and before the date on which the claim is ruled invalid shall be the property of the claimant; and
- (3) the claimant shall be responsible for any reasonable costs incurred through the care, training, or racing of the horse while it was in his or her possession.

~~(v) No horse claimed out of a claiming race shall race outside the state of Indiana for the earlier of:
(1) a period of sixty (60) days; or
(2) the conclusion of the last standardbred race meet under the jurisdiction of the Indiana horse racing commission in that year.~~

~~(w)~~ **(v)** Notwithstanding the provisions of subsection (u), a claimed horse shall be allowed to compete out of state while on the sixty (60) day hold period in any stake, or early and late closer, it is listed as being paid prior to the claim.
