[IC 4-22-2.1-5](#) Statement Concerning Rules Affecting Small Businesses

The Indiana Board of Licensure for Professional Geologists is amending [305 IAC 1-3-1](#) and [305 IAC 1-3-4](#) to increase the application and renewal fees for licensed professional geologists (LPG). LPGs are independently licensed. Although a business may pay the LPG's application and renewal, it is not required. An increase in application and renewal fees to LPGs will have no impact on small businesses.
