LSA Document #19-330

Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on October 11, 2019, at 10:00 a.m., at the Indiana Government Center South, 302 West Washington Street, Conference Center Room 1, Indianapolis, Indiana, the Fire Prevention and Building Safety Commission will hold a public hearing on a proposed rule to repeal and replace the 2005 Indiana Residential Code ([675 IAC 14-4.3](#)) with an amended version of the 2018 International Residential Code to govern construction of Class 2 structures.

This rulemaking is necessary to: (1) comply with the requirements of [IC 22-13-2-2.5](#); (2) update the standards governing construction for Class 2 structures to account for new technologies, new construction practices, new safety standards, new safety products, and new construction products; and (3) create safer and more resilient structures.

Public comments are invited and may be directed to the Indiana Department of Homeland Security, Attn: Justin Guedel, Indiana Government Center South, 302 West Washington Street, Room E208, Indianapolis, Indiana 46204.

The proposed rule is available to be inspected and copied at the office of the Indiana Department of Homeland Security located at the Indiana Government Center South, 302 West Washington Street, Room E208, Indianapolis, Indiana.
