Notice of Public Hearing

In accordance with 42 CFR §431.408(a)(2)(ii), the Indiana Family and Social Services Administration (FSSA) will be holding public hearings on a proposed extension of the Healthy Indiana Plan Section 1115 demonstration waiver (HIP Waiver) that will be submitted to the Centers for Medicare and Medicaid Services (CMS). The Healthy Indiana Plan (HIP) has been a feature of Indiana's Medicaid program since 2008. The current approval to operate HIP expires December 31, 2020. Through this submission, FSSA is seeking a ten year extension of the HIP Waiver with no substantive changes. The extension request includes incorporation of the HIP Bridge Account amendment, which was submitted to CMS on July 25, 2019. FSSA will be requesting the following nonsubstantive, technical changes through the extension request:

- Flexibility to modify the POWER Account contribution tiers below average limit of three percent of member income, with appropriate notice to members, stakeholders, and CMS, but without requiring the submission of a waiver amendment. Modifications are not currently proposed but could, for example, include increasing or decreasing the amounts of the POWER Account base contribution or the tobacco surcharge.
- Flexibility to modify the HIP Basic copayment amounts within the Medicaid allowable limits, with appropriate notice to members, stakeholders, and CMS, but without requiring the submission of a waiver amendment. Modifications are not currently proposed but these modifications may include increases in copayment amounts within limits allowed for cost of living increases, decreases in copayment amounts, or implementation of copayment waivers on target services.

Additionally, through this waiver extension application, FSSA is seeking federal approval for a five-year extension of the substance use disorder (SUD) and requested serious mental illness (SMI) components of the HIP Waiver.
