
TITLE 860 INDIANA PLUMBING COMMISSION

One Year Requirement ([IC 4-22-2-25](#))

LSA Document #19-446

May 4, 2020

RE: LSA Document #19-446, convictions of concern and related provisions

On behalf of the Indiana Plumbing Commission (Commission), I am submitting this notice to the Publisher of the Indiana Register in compliance with [IC 4-22-2-25](#), which requires that a notice be sent to the Publisher if a rule will not be approved or deemed approved by the Governor within one year of publication of the Notice of Intent to Adopt a Rule.

The Commission published a Notice of Intent to Adopt a Rule on September 11, 2019 (DIN: [20190911-IR-860190446NIA](#)).

This rulemaking has been delayed due to the COVID-19 emergency. The emergency has delayed the Office of Management and Budget (OMB) approval required by Executive Order 2-89. The emergency has also required the postponement of in-person Commission meetings and public hearings. At this time, it is not known when the Commission will be able to meet to conduct a public hearing and vote on the rule adoption. The Commission expects to obtain the Governor's approval by August 2, 2021.

The notice setting forth the expected date of the Governor's approval of LSA Document #19-446 as August 2, 2021, is being submitted in a timely manner. May 18, 2020, is the two hundred fiftieth day after publication of the Notice of Intent to Adopt a Rule.
