Under [IC 6-1.1-31-1](#), the Department of Local Government Finance is required to adopt rules concerning the assessment of personal property and real property, and [IC 6-1.1-31-12](#) requires the Department to adopt rules governing the reduction and increase of assessed valuations by the county assessor. Under [IC 6-1.1-31.7-3](#) the Department is required to adopt rules for the certification and regulation of appraisers, and [IC 6-1.1-35.5-8.5](#) requires the Department to adopt rules for the certification of and continuing education requirements for assessor-appraisers. Under [IC 6-1.1-12.1-13](#), the Department is required to adopt rules implementing deductions and abatements for the rehabilitation or redevelopment of real property in economic revitalization areas.

The Department estimates that the proposed rule will not impose requirements or costs under [IC 4-22-2-24\(d\)\(3\)](#). As no financial impact is expected as a result of this rule, no supporting data, studies, or analyses were relied upon by the Department in its determination that the rule will have no or minimal fiscal impact on state or local government since no requirement is being added under this rule that is not already expressly required by statute.

Copies of the proposed rule are available on the Department's website at:

<https://www.in.gov/dlgf/2449.htm>

Copies of these rules are now on file at the Indiana Department of Local Government Finance, Indiana Government Center North, 100 North Senate Avenue, Room N1058 and Legislative Services Agency, Indiana Government Center North, 100 North Senate Avenue, Room N201, Indianapolis, Indiana and are open for public inspection and copying.
