SUMMARY OF CHANGES

Aside from nonsubstantive changes, this bulletin has been updated to include information pertaining to the department's new registration and filing system, INTIME.

Retail merchants that remit sales tax through electronic funds transfer (EFT) are required to file a monthly return at the same time the remittance is due the department.

Effective January 1, 2013, all retail merchants and withholding agents were required to file and remit through INtax. Beginning September 2020, filing and remitting for sales tax and withholding tax are performed using the department's new online e-services portal, the Indiana Taxpayer Information Management Engine (INTIME).

The collection allowance to which a retail merchant is entitled will not change. The collection allowance is based on the prior fiscal year collections and will be the same throughout the calendar year.

For more information concerning registering for INTIME, visit intime.dor.in.gov.
