

Emergency Rule

LSA Document #21-169(E)

DIGEST

Temporarily amends [312 IAC 8-1-3\(b\)](#) to allow firewood certified by another state's compliance agreement meeting minimum requirements set by the state entomologist to be brought into or possessed on a DNR property. Effective May 7, 2021.

SECTION 1. (a) This SECTION is supplemental to [312 IAC 8-1-3\(b\)](#).

(b) An individual may bring firewood into or possess firewood on a DNR property if the firewood is bundled and accompanied by a compliance stamp or label issued by any state to the firewood vendor from whom the wood was purchased under a compliance agreement meeting the minimum requirements set by the Indiana state entomologist.

SECTION 2. This document expires on May 6, 2022.
