
OFFICE OF THE SECRETARY OF FAMILY AND SOCIAL SERVICES**Public Notice Regarding Amendment of the Aged and Disabled Waiver
January 18, 2023**

In accordance with public notice requirements established at 42 CFR 447.205, the Indiana Family and Social Service Administration (FSSA) Office of Medicaid Policy and Planning (OMPP) and the Division of Aging (DA) intends to submit a renewal for the Aged and Disabled (A&D) waiver to the Centers for Medicare and Medicaid Services for consideration.

The A&D waiver provides Medicaid home and community-based services (HCBS) to participants in a range of community settings as an alternative to care in a nursing facility for adults and persons of all ages with a disability. The waiver is designed to provide services to supplement informal supports for persons who would require care in a nursing facility if waiver or other supports were not available. Waiver services can be used to help people remain in their own home, as well as assist people living in nursing facilities return to community settings such as their own homes, apartments, assisted living, or adult family care.

The FSSA–OMPP and DA proposes to amend the A&D waiver to make permanent the Expedited Waiver Eligibility (EWE) program currently allowed through the Appendix K authority. This EWE amendment would allow potential, at-risk individuals who are 65 years of age and older to complete a shortened, preliminary eligibility test to receive HCBS quicker in lieu of receiving services through nursing facilities before a more formal eligibility determination is conducted.
