- (3) The calculation of the direct care, indirect care, and administrative components from a median to a percentile effective July 1, 2024, with a transition period through June 30, 2027.
- (4) The reimbursement for quality from the Medicaid per diem to the supplemental payment program effective July 1, 2024, with a transition period through June 30, 2027.
- (5) The supplemental payment program from a facility specific payment to a pooled methodology effective July 1, 2024, with a transition period through June 30, 2027.
