LSA Document #22-395

Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on September 19, 2023, at 1:30 p.m., at the Indiana Department of Health, 2 North Meridian Street, Indianapolis, Indiana, the Indiana Department of Health will hold a public hearing on a proposed rule (LSA Document #22-395) to amend [410 IAC 6-8.3](#) to update definitions and other provisions to reflect current terminology, standards, and best practices regarding the design, installation, construction, maintenance, and operation of residential on-site sewage systems.

The purpose of this hearing is to receive comments from the public prior to consideration of adoption of these rules by the Indiana Department of Health. All interested persons are invited and will be given reasonable opportunity to express their views concerning the proposed amendments.

The public may attend the hearing in person or join by using the following Microsoft Teams link, meeting ID, and passcode:

Meeting ID: 227 601 687 564

Passcode: KNBpPC

Copies of this rule are available at the Indiana Department of Health website at <https://www.in.gov/health/rules/rulesingov/>. Pursuant to [IC 4-22-2-24\(d\)\(3\)](#)(before its amendment July 1, 2023), this rule amendment is a clarification of updated statutory requirements or updates required by [IC 16-19-3-27.7](#), as added by HEA 1402 (P.L. 232-2023), so any increased cost is a result of the statute.

Copies of these rules and any documents used to determine justification for the requirements are now on file at the Office of Legal Affairs, Indiana Department of Health, 2 North Meridian Street, Indianapolis, Indiana and are open for public inspection and copying.

Lindsay Weaver, MD, FACEP
Commissioner
Indiana Department of Health
