
TITLE 860 INDIANA PLUMBING COMMISSION

60 Day Requirement ([IC 4-22-2-19](#))

LSA Document #23-50

On behalf of the Indiana Plumbing Commission (Commission), I am submitting this notice in compliance with [IC 4-22-2-19](#), which requires an agency to begin the rulemaking process not later than 60 days after the effective date of the statute that authorizes the rule.

The Commission was unable to begin the rulemaking process within 60 days of the statute authorizing the rule due to COVID. The rules were in process within the 60 days by submitting them as emergency rules until COVID and then all rulemaking processes stopped.

The Commission has initiated the rulemaking process by publishing its Notice of Intent to Adopt a Rule in the Indiana Register on January 25, 2023 (DIN: [20230125-IR-860230050NIA](#)).
