SUMMARY OF FINDINGS UNDER [IC 4-22-2.6-4](#)

In accordance with [IC 4-22-2.6-4](#), the department of local government finance (DLGF) has considered the impact of the rule, and any burden it would place on taxpayers. The DLGF finds that the rule is necessary to ensure that real property improvements are accurately valued, in accordance with standard assessment and appraisal practice. Market segmentation analysis allows for a more accurate determination of value based on particular market conditions specific to an area.
