Public Notice of Rate Adjustments for the Child Mental Health Wraparound Program

In accordance with public notice requirements established at 42 CFR 447.205, the Indiana Family and Social Services Administration (FSSA), Office of Medicaid Policy and Planning (OMPP) and the Division of Mental Health and Addiction (DMHA) publishes this notice of changes to the rates for the Child Mental Health Wraparound (CMHW) State Plan Benefit. This public notice updates the services for which rates are being increased. In addition, the start date of rate increases is being updated. A previous public notice was available for comment August 30, 2023-September 29, 2023.

The effective date for these changes will be December 7, 2023.

The changes to the rate methodology will result in an increase of provider reimbursement rates for delivering CMHW services. Below are the CMHW services offered and the new rates effective December 7, 2023.
