**AUTHORITY: IC 31-33-26-13** 

# **OVERVIEW**

#### **Basic Purpose and Background**

465 IAC 3 concerns the administrative reviews and appeals of the agency actions and determinations of DCS. 465 IAC 3-2-3 specifically addresses the administrative review procedure for DCS employees regarding substantiation determinations in reports of child abuse and neglect. DCS seeks to amend the rule to clarify and ensure that its employees are receiving an opportunity to have meaningful review of the substantiation, and ensure the continued integrity of its general workforce.

The following are the three (3) categories of potentially affected parties accused of a substantiated report of abuse or neglect:

- (1) Child care or licensed foster parents.
- (2) Department employees.
- (3) Members of the public.

The defining factor in each of these categories is that they have been accused of a substantiated report of abuse or neglect. The effect is anticipated to fall largely within the current and future DCS employee workforce.
