65 IAC 4-3-7 Prize drawings; grand prize events

Authority: IC 4-30-3-7; IC 4-30-3-9

Affected: IC 4-30

Sec. 7. (a) If an instant game includes a drawing or grand prize event, the drawing or grand prize event shall be conducted as provided in this section.

(b) Preliminary drawings, if any, shall be conducted periodically as determined by the director or as provided in the rule applicable to a specific game to select finalists who will be entered into a grand prize event. Entrants in the preliminary drawings shall be selected from instant tickets which meet the criteria stated in the specific game rules in this article and from on-line entry coupons generated as provided in 65 IAC 5-3-7. Grand prize events to award prizes shall be conducted periodically as determined by the director or as provided in the rule applicable to a specific instant game.

(c) Participation in a drawing or grand prize event shall be limited to those persons holding or mailing instant or on-line tickets or on-line entry coupons generated as provided in 65 IAC 5-3-7 which are determined to be valid by the commission on or before a date announced by the director. If participation in the drawing or grand prize event requires persons to mail instant or on-line tickets or on-line entry coupons to the commission, such instant or on-line tickets or on-line entry coupons must be mailed to the address designated by the director and received on or before a date announced by the director to be considered valid for participation in a preliminary drawing. No entries shall be accepted, by mail or otherwise, at any office of the commission or by any retailer, and any entries received at any office of the commission may be returned to the sender with instructions for proper submission. The commission assumes no responsibility for an entry that is not valid for participation in a preliminary drawing. A valid entry shall

consist of an instant or on-line ticket or on-line entry coupon signed by the holder thereof. An instant or on-line ticket or on-line entry coupon must be submitted in an envelope no larger than four and one-half (4½) inches wide and nine and one-half (9½) inches long which has no unusual markings on the outside. Envelopes not meeting those specifications shall be rejected and destroyed unopened. The holder of an instant or on-line ticket or on-line entry coupon may be required to provide such information and complete such forms as specified by the director as a condition to participation in a preliminary drawing or grand prize event.

(d) If, after a drawing is held, the director determines that an instant or on-line ticket or on-line entry coupon should have been entered into the drawing, the director may, in the director's sole discretion, place that instant or on-line ticket or on-line entry coupon into the next substantially equivalent drawing, if any, or replace that instant or on-line ticket with an instant or on-line ticket or instant or on-line tickets of equivalent face value. The commission, the director, and the commission's employees shall have no other liability for failure to enter an instant ticket or an on-line entry coupon into a drawing. If the director determines that a person should have been entered into a grand prize event but was not so entered, the director may, in the director's sole discretion, enter that person into the next substantially equivalent grand prize event. The commission, the director, and the commission's employees shall have no other liability for failure to enter a person into a grand prize event.

(e) The director shall determine and announce the date or dates, time or times, and procedures for drawings or grand prize events to select grand prize winners to the extent that specific game rules in this title do not address such matters. All drawings for selection of winners shall be open to the public. All drawings for selection of winners shall be witnessed by an independent certified public accountant. Equipment used in the drawings shall be inspected by an independent certified public accountant before and after each drawing.

(f) The director may postpone any drawing or grand prize event to a future time and publicize the postponement if the director or the director's designee finds that the postponement is in the best interests of the commission or the public.

(g) Following each preliminary drawing, all entries not drawn shall be destroyed. The time of destruction may be delayed at the discretion of the director in the event of a dispute, problem, or unusual occurrence in connection with the drawing. The director may permit examination of entries not drawn to locate lost instant tickets or on-line entry coupons, and the director may delay the time of destruction of entries not drawn for up to ninety (90) days for that purpose. The commission has no responsibility for mail received at the address designated for receipt of entries which is not intended to be considered for participation in a drawing or for the destruction of such misdirected mail.

(h) The director or the director's designee shall notify all qualified, validated finalists from a preliminary drawing by certified mail or by telephone of the date, time, and place of the grand prize event. If the director is unable to confirm receipt of such notice by a finalist sufficiently in advance of the grand prize event, the director may select an alternate finalist and place the finalist into a subsequent grand prize event.

(i) Each finalist must be present, in person or by proxy, at the grand prize event in which the finalist is entered. If a finalist elects not to participate in person, the finalist shall complete a proxy in the form specified by the director which includes specific instructions regarding any decisions required to be made by the holder of the proxy. Any finalist under eighteen (18) years of age shall be represented in a grand prize event by a parent or legal guardian who shall provide written evidence that he or she is the finalist's parent or legal guardian, and all selections or decisions made by the parent or legal guardian shall be binding upon the finalist.

(j) The rules and procedures for each grand prize event shall be established by the director and shall be explained to all participating finalists prior to the grand prize event. Disputes regarding the rules or procedures shall be resolved by the director in the exercise of the director's sole discretion. All finalists shall be deemed to have agreed to all rules and procedures by their participation in the grand prize event or any proceedings in connection with the grand prize event.
