- (2) The maximum pay-in period is five (5) years. The pay-in period commences on the date the site first receives waste tires.
- (3) Annual payments are determined by the following formula:

$$\text{Annual Payment} = \frac{\text{CE} - \text{CV}}{\text{Y}}$$

Where: CE = Current cost estimate.
CV = Current value of the trust fund.
Y = Number of years remaining in the pay-in period.

- (4) The owner or operator of the waste tire storage site shall make the initial payment before the beginning of the pay-in period. The owner or operator of the waste tire storage site shall also, before the beginning of the pay-in period, submit to the department a receipt from the trustee for this first annual payment.

(2) Within sixty (60) days after receiving a request from the owner or operator of the waste tire storage site for a release of funds, the department shall instruct the trustee to release to the owner or operator of the waste tire storage site such funds as the department specifies in writing to be in excess of the current cost estimate.

(f) Reimbursement for removal expenses may be requested as follows:

(1) After initiating removal, the owner or operator of the waste tire storage site, or any other person authorized to perform removal, may request reimbursement for removal expenditures by submitting itemized bills to the department.

(2) Within sixty (60) days after receiving the itemized bills for removal activities, the department shall determine whether the expenditures are in accordance with the removal plan. The department shall instruct the trustee to make reimbursement in such amounts as the department specifies in writing in accordance with the removal plan.

(3) If the department determines, based on available information, that the cost of removal will be greater than the value of the trust fund, the department shall withhold reimbursement of such amounts necessary to accomplish removal until it is determined that the owner or operator of the waste tire storage site is no longer required to maintain financial assurance for removal.
