##### **515 IAC 1-1-1 Early childhood education license**

Authority: IC 20-28-2-6

Affected: IC 20-26-5; IC 20-28-5-3

Sec. 1. (a) Candidates will be qualified for the standard license in early childhood education when they have:

(1) Received a baccalaureate degree from an institution of higher education accredited to offer programs in teacher education.

(2) Completed an undergraduate program consisting of a minimum of 124 semester hours structured as follows:

(A) General Education 40 Semester Hours

(i) Language arts – This area shall be designed to develop appreciation, knowledge and understanding of world literature and shall always include children's literature and nine (9) semester hours of oral and written expression.

(ii) Science – This area shall be designed to develop broad functional understanding of conservation and the physical, biological and earth sciences. An integrative approach shall be used whenever possible.

(iii) Social studies – This area shall be designed to develop understanding of contemporary civilization, economics and government, current social problems and modern family life, and shall always include a course in U.S. history and a course in world civilization. An integrative approach shall be used whenever possible.

(iv) Mathematics – This area shall be designed to develop broad functional knowledge and understanding of the character and development of number systems and skill in use of numbers. These shall be adapted to meet the needs of elementary school teachers.

(v) Arts – This area shall be designed to develop appreciation and skills in music and art.

(vi) Electives from general education shall always include physical activities for the young child.

(B) Subject matter

Concentration

24 Semester Hours

An in-depth minor area such as sociology, psychology or home economics.

(C) Professional

Education

40 Semester Hours

The professional component shall begin early in the student's educational career. Laboratory experiences shall be initiated as soon as possible and continued throughout the student's program of preparation. This component shall always include at least nine (9) weeks of full-time student teaching in the later stages of the undergraduate program and be sponsored by the teacher education institution. Attention shall be given to cognitive, affective and psychomotor facets of education and to both individual and group processes of teaching. Every effort shall be made to include experiences in education of minority groups and the handicapped. The professional education component shall include:

(i) Human growth and learning (infancy to age 8).

(ii) Laboratory experiences which shall include course work and practical experiences with individual children and parents.

(iii) Curricula and programs for young children always including reading readiness.

(iv) Ethnic, cultural and disability awareness.

(v) Nine (9) weeks of full-time student teaching at the level covered by this license.

(D) Electives

20 Semester Hours

The elective component of the teacher preparation program shall provide the teacher candidate with opportunity for self-determination of courses which shall add breadth and/or depth to the undergraduate experience.

(3) Been recommended for licensing by the institution of higher education granting the degree.

(b) Coverage: The teacher licensed in early childhood education is eligible to teach all subjects in pre-kindergarten classes.

(c) Renewal: The standard license in early childhood education may be renewed as specified in 530 IAC 2-3.

(d) Professionalization: The standard license in early childhood education may be professionalized when the holder has:

(1) Completed five (5) years of teaching experience in accredited schools at the level covered by the license and subsequent to the issuance of the standard license.

(2) Completed an appropriate master's degree from an institution regionally accredited to offer graduate degrees.

(3) Completed fifteen (15) semester hours in early childhood education at the graduate level at an institution regionally accredited to offer graduate programs in early childhood education. (Note: Candidates with additional teaching areas or endorsements may professionalize those areas upon the completion of three (3) semester hours of coursework in the subject matter area.) The addition of aerospace and interdisciplinary cooperative education will not require any additional coursework in order to be professionalized.

(4) Been recommended for the professional license by the institution granting the master's degree.

Early childhood additions. The standard or professional license in early childhood education may be extended in subject area coverage upon completion of appropriate endorsements or teaching minors as described in 530 IAC 2-1-13 [515 IAC 1-1-9]. The coverage of such additions is limited to pre-kindergarten classes with the exception of all grade minors in recreation, audiovisual services and school library services which are valid in grades K-12. The addition of the kindergarten endorsement to the license in early childhood education qualifies the holder to teach kindergarten as well as pre-kindergarten classes.

Before an addition can be made to the professional license, the candidate must complete the professionalization course work requirements for the endorsement or teaching minor being added. Candidates are urged to limit all additions to areas which complement and augment the license in early childhood education. The following endorsements and teaching minors are considered appropriate additions to the license in early childhood education:

Audiovisual services

Bilingual and bicultural proficiency

Ethnic and cultural studies

Family life education

Gifted and talented

Health education

Kindergarten

Music

Physical education

Reading

School library services

Special education

Visual arts

Teacher education institutions are encouraged to develop endorsements and teaching minors that are designed specifically to meet the needs of the early childhood teacher. The standard or professional license in junior high/middle school education may be extended in subject area coverage upon

completion of appropriate endorsements or teaching minors as described in 530 IAC 2-1-13 [515 IAC 1-1-9]. The coverage of such additions is limited to departmentalized grades 5-9 with the exception of all grade minors in recreation, audiovisual services and school library services which are valid in grades K-12.

Before an addition can be made to the professional license, the candidate must complete the professionalization course work requirements for the endorsement or teaching minor being added. Candidates are urged to limit all additions to areas which complement and augment the license in junior high/middle school education.

Teacher education institutions are encouraged to develop endorsements and teaching minors that are designed specifically to meet the needs of the junior high/middle school teacher. (viii) Laboratory experiences – Specific and continuing pre-student teaching field experiences beginning as soon as possible in the teacher preparation program.

(ix) Student teaching – A minimum of nine (9) weeks of full-time student teaching in the secondary school in the subject area of his major.

(D) Electives

The elective component of the teacher preparation program shall provide the teacher education student with opportunity for self-determination of courses which shall add breadth and/or depth to the undergraduate experience.

(3) Been recommended for licensing by the institution of higher education granting the degree.

(b) Coverage: The teacher licensed in secondary education is eligible to teach the subjects in grades 9-12 unless otherwise indicated.

(c) Renewal: The standard license in secondary education may be renewed as specified in 530 IAC 2-3.

(d) Professionalization: The standard license in secondary education may be professionalized when the holder has:

(1) Completed five (5) years of teaching experience in accredited schools at the level covered by the license and subsequent to the issuance of the standard license.

(2) Completed an appropriate master's degree from an institution regionally accredited to offer graduate degrees.

(3) Completed six (6) semester hours of professional education at the graduate level at an institution regionally accredited to offer graduate programs in professional education.

(4) Completed appropriate course work in the major, minor and/or endorsement areas. Such course work must be completed at an institution regionally accredited to offer graduate programs in the area being professionalized. (Note: Professionalization requirements for each major, minor and endorsement area are itemized in 530 IAC 2-1-13 [515 IAC 1-1-9].)

(5) Been recommended for the professional license by the institution granting the master's degree.

Secondary additions. The standard or professional license in secondary education may be extended in coverage upon completion of appropriate endorsements or teaching minors as described in 530 IAC 2-1-13 [515 IAC 1-1-9]. The coverage of such additions is limited to those grades indicated in the coverage statements of the endorsements or teaching minors unless such is not indicated. When grade level limitations are not indicated in the coverage statements of the endorsements or teaching minors, such additions to the license in secondary education shall be valid in grades 9-12. Before an addition can be made to the professional license, the candidate must complete the professionalization course work requirements for the endorsement or teaching minor being added. - (viii) Laboratory or field experiences, which shall include specific and continuing pre-student teaching field or laboratory experiences beginning as soon as possible in the teacher preparation program. Experiences must be with the levels of senior high school and junior high or middle school.
- (ix) Student teaching, which must consist of a minimum of ten (10) weeks full-time student teaching at an accredited school at the senior high, junior high or middle school level in the subject area.

(D) Electives

(b) Coverage: The teacher is eligible to teach the subjects on the license at the senior high, junior high and middle school grade levels.

(c) Renewal: The standard license in senior high, junior high and middle school may be renewed as specified in 511 IAC 10-3-1.

(d) Professionalization: The standard license in senior high, junior high and middle school may be professionalized when the holder has:

- (1) Completed five (5) years of teaching experience in accredited schools at the level and in one or more areas on the license.
- (2) Completed an appropriate master's degree from an institution accredited by the state or a regional accrediting association to offer graduate degrees.
- (3) Completed six (6) semester hours of professional education coursework at the graduate level at an institution accredited by the state or a regional accrediting association to offer graduate programs in education.
- (4) Completed appropriate coursework in the major, minor or endorsement areas. The coursework must be completed at an institution accredited by the state or a regional accrediting association to offer graduate programs in the area being professionalized. (Refer to certification patterns for specific requirements.)
- (5) Been recommended for the professional license by the institution granting the master's degree.

(e) Additions: The standard or professional license in senior high, junior high and middle school education may be extended in coverage upon completion of appropriate endorsements or minors as described in 511 IAC 10-1 *[this rule]*. The coverage of these additions is limited to those grades indicated in the coverage statement of the endorsement or minor. When grade level coverage is not indicated, additions to the license are valid in the senior high, junior high and middle school grade levels. Before an addition can be made to the professional license, the candidate must complete professionalization requirements for the endorsement or minor being

added.

(f) Candidates who hold or are eligible for the following licenses are also eligible for a senior high, junior high and middle school license under the following conditions:

(1) Candidates who hold or are eligible for a junior high/middle school (5-9) standard or professional license are eligible for a senior high, junior high and middle school license if they have completed the necessary coursework for a secondary major in the subject area.

(2) Candidates who hold or are eligible for a secondary standard or professional license are eligible for a senior high, junior high and middle school license if they have the equivalent of one (1) semester full-time teaching experience at the junior high/middle school level at an accredited school prior to July 1, 1989.

## 515 IAC 1-1-9 Teaching areas and endorsements

Authority: IC 20-28-2-6

Affected: IC 9-24-8; IC 20-19-2; IC 20-30; IC 20-35

Sec. 9. The teaching areas and endorsements included in 530 IAC 2-1-14–530 IAC 2-1-54 [515 IAC 1-1-10 through 515 IAC 1-1-58] are designed primarily to be added to licenses with the basic preparation in secondary or all grade education. For this reason, it is assumed that most candidates will have completed the general education and professional education requirements in either secondary or all grade education as outlined in 530 IAC 2-1-5 [515 IAC 1-1-6] and 530 IAC 2-1-6 [515 IAC 1-1-8].

Several of the teaching areas and endorsements listed may be appropriately added to a teaching license with the basic preparation in early childhood, kindergarten-primary, elementary or junior high/middle school education. Candidates are, however, encouraged to limit such additions to those areas which complement or augment the basic preparation level of the license. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-1-9; filed Jun 12, 1984, 3:10 p.m.: 7 IR 1835; readopted filed Sep 25, 2001, 9:43 a.m.: 25 IR 529; readopted filed Jul 18, 2007, 11:42 a.m.: 20070808-IR-515070238RFA*) NOTE: Transferred from the Commission on Teacher Training and Licensing (530 IAC 2-1-13) to the Indiana State Board of Education (511 IAC 10-1-8) by P.L.20-1984, SECTION 206, effective July 1, 1984. NOTE: Transferred from the Indiana State Board of Education (511 IAC 10-1-8) to the Professional Standards Board (515 IAC 1-1-9) by P.L.46-1992, SECTION 19, effective July 1, 1992.

**515 IAC 1-1-10 Bilingual and bicultural endorsement (12 semester hours)**

Authority: IC 20-28-2-6

Affected: IC 20-19-2; IC 20-28-5; IC 20-30-9; IC 20-35

Sec. 10. This endorsement recognizes the holder's ability to teach areas listed on the standard or professional license in a bilingual and/or bicultural setting.

(a) The candidate for the bilingual and bicultural endorsement must:

- (1) show oral and written proficiency in the target language; and
- (2) complete twelve (12) semester hours of course work distributed over the following areas:
  - (A) methods of instruction in bilingual and bicultural education; and
  - (B) development of bilingual and bicultural programs; and
  - (C) culture of the bilingual target language group.

(b) Coverage: This endorsement certifies the holder's proficiency to teach the subject area and/or grade levels specified on his license to students whose ethnic and/or cultural background is the same as speakers of the target language.

(c) Professionalization: This endorsement becomes professionalized when the holder has completed three (3) semester hours of graduate credit related to the culture of the target language group and has met the professionalization requirements for the basic preparation level of the standard license.

(d) A bilingual and bicultural endorsement is not a requirement for teaching classes in bilingual and bicultural education. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-1-10; filed Jun 12, 1984, 3:10 p.m.: 7 IR 1836; filed Dec 2, 1987, 11:31 a.m.: 11 IR 1255; readopted filed Sep 25, 2001, 9:43 a.m.: 25 IR 529; readopted filed Jul 18, 2007, 11:42 a.m.: 20070808-IR-515070238RFA*) NOTE: Transferred from the Commission on Teacher Training and Licensing (530 IAC 2-1-14) to the Indiana State Board of Education (511 IAC 10-1-9) by P.L.20-1984, SECTION 206, effective July 1, 1984. These types of giftedness should include, but may not be limited to, the following: (a) intellectual, (b) academic, (c) creative, (d) artistic and (e) leadership.

(B) Identification and selection strategies including both formal and informal methods shall be stressed. Guidance activities directed at the gifted and talented students shall be included.

(2) Program and curriculum development, management, and evaluation. This area shall examine various models and include procedures for:

administration of gifted programs

curriculum development

evaluation of programs and student progress

dissemination of information to teachers, administrators, and community

orientation of teachers in gifted and talented programs

(3) Instructional materials, methods, and processes. This area shall include strategies to enhance the evaluation and selection of curriculum experiences, materials, and resources for teaching the various types of gifted and talented students. Processes, techniques, and methods appropriate for enhancing educational experiences for gifted and talented students shall be emphasized.

(4) Practicum in gifted and talented education.

(b) Coverage: The holder of the gifted and talented all grade endorsement is eligible to teach in gifted and talented programs in all grades.

(c) Professionalization: This endorsement will be professionalized when the candidate has completed three (3) semester hours of graduate coursework in gifted and talented education and has met the professionalization requirements for the basic preparation level of the standard license.

The gifted and talented endorsement is not required for teaching classes in gifted and talented in Indiana. Individuals who plan to teach in gifted and talented programs are, however, strongly encouraged to complete requirements for this endorsement. **515 IAC 1-1-30 General mathematics endorsement (15 semester hours)**

Authority: IC 20-28-2-6

Affected: IC 20-19-2; IC 20-30; IC 20-35

Sec. 30. It is expected that the candidate will have completed two (2) years of high school algebra and one (1) year of high school geometry.

(a) Coursework shall include:

(1) The real number system and its theory	3 semester hours
(2) Finite mathematics	3 semester hours
(3) Statistics and probability	2 semester hours
(4) Foundations of mathematics	2 semester hours
(5) Problem solving	2 semester hours
(6) Methods of teaching mathematics—general mathematics	2 semester hours
(7) Computer science	1 semester hour

Total 15

(b) Coverage: The holder of the endorsement in general mathematics is eligible to teach in grade 5-12 all arithmetic courses and only those courses in general mathematics which are not used as prerequisites to a standard secondary school mathematics sequence of algebra, geometry, etc. These generally include such terminal courses as general mathematics level I and II, consumer mathematics, business mathematics, shop mathematics, basic mathematics and remedial mathematics.

(c) Renewal: This certificate is valid for five (5) years and may be renewed for a second five (5) years with the completion of six (6) semester hours of mathematics and/or professional education coursework specifically designed to increase the holder's competence in teaching general mathematics. At the end of ten (10) years it may be renewed for ten (10) year intervals upon completion of six (6) semester hours of mathematics and/or professional education coursework designed to up-date and improve the

holder's quality of teaching general mathematics.

(d) General comments: It is expected that new courses will be developed to meet the needs of the students being prepared as general mathematics teachers. Each course must emphasize the elements essential to the teaching of general mathematics. The instruction will also assist the learner in building a body of examples where this type of mathematics is used that will be interesting and understandable to students of general mathematics. In no case would the mere realignment of existing courses be seen as adequate in meeting the needs outlined above for the prospective teachers. Authority: IC 20-28-2-6

Affected: IC 9-24-8; IC 20-19-2; IC 20-30; IC 20-35

Sec. 47. (a) Science licensing requires selection of at least one (1) primary area and one (1) supporting area from the following: biology, chemistry, earth space science, general science, mathematics, physical science and physics.

(1) Candidates must complete the general requirements listed and meet the requirements in the primary and supporting areas as indicated.

(2) General requirements

12 Semester Hours

These courses shall be broadly based to provide a background in biology, chemistry, earth space science and physics. The course work should be coordinated to emphasize as many relationships as possible. Every attempt should be made to include concepts relating to the physical environment, the social environment and human nutrition, including physiological and psychological effects of drugs in either this section or the primary or supporting area.

Areas	Semester Hours	
	Primary	Supporting
(A) Biology	24	15
(B) Chemistry	24	15
(C) Earth Space Science (Courses distributed among geology, meteorology, geography, astronomy and oceanography)	24	15
(D) General Science (Courses distributed among biology, chemistry, physics, and earth space science)	24	15
(E) Math	24	15
(F) Physical Science (Courses distributed among chemistry, earth space science and physics)	24	15
(G) Physics	24	15

(b) Coverage: The holder of the science major is eligible to teach the primary and supporting areas specified in grades 9-12 when the basic preparation level is secondary education.

(c) Professionalization: The primary area of this major may be professionalized when the candidate has completed six (6) semester hours in the primary area at the graduate level and has met the professionalization requirements for the basic preparation

level of the standard license.

The supporting area of this major may be professionalized when the candidate has completed nine (9) semester hours of work in the supporting area at the graduate level and has met the professionalization requirements for the basic preparation level of the standard license. (1) Vocational trade, industrial and technical laboratory concentration: This concentration is based upon occupational competence in a specific industrial occupation, craft, or trade. Validated competence and work experience of 6,000 clock hours in the endorsement specialty is the minimum criterion. Up to one (1) year of academic credit toward the four (4) year degree may be granted by an institution of higher education for the 6,000 clock hours of experience. Cooperative vocational industrial internship may be used toward the 6,000 clock hours at the option of the recommending institution. Various paths considered appropriate for an individual to acquire the 6,000 clock hours or equivalent, on which the institution of higher education can base evaluation of occupational competency are:

- (A) three (3) years (6,000 clock hours) of occupational experience in a specific trade or occupation to be taught; or
- (B) successful completion of 1,080 clock hours state approved secondary vocational program, plus two and one-half (2 1/2) years (5,000 clock hours) of additional work experience in a specific trade or occupation to be taught; or
- (C) successful completion of an organized apprenticeship program, or a fulltime, two (2) year postsecondary technical

vocational program, plus an additional two (2) years (4,000 clock hours) of additional work experience in the specific trade or occupation to be taught; or

(D) successful completion of 1,080 clock hours, state approved secondary vocational program and either an organized apprenticeship program or a two (2) year, fulltime postsecondary technical vocational program, plus one and one-half (1 1/2) years (3,000 clock hours) of additional work experience in the specific trade or occupation to be taught.

(2) Cooperative coordinator endorsement: Candidates for the cooperative coordinator endorsement must be licensed in industrial education.

Work experience must include two (2) years (4,000 clock hours) of successful employment in recognized vocational trade, industrial and technical occupations, or 1,500 clock hours of supervised work in the vocational trade, industrial or technical field under an approved teacher training program, or a combination equivalent thereto. At least two (2) years of teaching experience in industrial education are required.

(b) Coverage: The holder of the vocational trade, industrial and technical laboratory concentration is eligible to teach in the area of specialization listed on the license at all levels.

The holder of the cooperative coordinator endorsement is eligible to serve as a cooperative coordinator at all levels.

(c) Professionalization: This major may be professionalized when the candidate has completed six (6) semester hours from the above areas, at the graduate level and has met the professionalization requirements for the basic preparation level of the standard license. Sec. 88. (a) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "assistantship inventory" means the diagnostic instrument developed and distributed by the department of education in the occupational specialist program manual that is completed by the vocational administrator at the end of a beginning teacher's assistantship to assess that individual's progress toward developing the skills and practices necessary for excellence in teaching.

(b) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "basic skills test" means the diagnostic instrument used to assess reading, mathematics, and language arts skills of individuals holding an occupational specialist certificate.

(c) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "beginning teacher" means an individual pursuing the occupational specialist I certificate.

(d) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "beginning teacher assistantship" means the program established under section 84 of this rule *[section 93 of this rule]* for the purpose of:

- (1) assisting beginning teachers in the performance of their duties;
- (2) assisting beginning teachers to develop skills and educational practices necessary for excellence in vocational teaching; and
- (3) developing beginning teachers' professional development plans.

(e) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "beginning teacher seminar" means the program initiated within sixty (60) days after the vocational teacher begins teaching. The program includes the local orientation program and the in-service training provided by the university representative.

(f) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "mentor" means a teacher with outstanding teaching skills who is assigned by the vocational administrator to guide the beginning teacher toward attaining skills and practices necessary for excellence in teaching.

(g) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "occupational experience" means documented experience in a specific vocational occupational licensing area that meets one (1) of the following:

- (1) Six thousand (6,000) clock hours of occupational experience within the last five (5) years.
- (2) Four thousand (4,000) clock hours of occupational experience and completion of a state approved occupational competency exam in the occupational area.
- (3) Four thousand (4,000) clock hours of occupational experience and completion of a related two (2) year associate degree or related higher degree from an accredited institution.
- (4) Four thousand (4,000) clock hours of occupational experience and successful completion of an approved apprenticeship or internship program that is a regular part of the training for that particular occupation.

(h) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "occupational competency exam" means the method by which the holder of the occupational specialist certificate must demonstrate the holder's level of competence in a specific vocational occupational area. The level of competence must be demonstrated by successful completion of any of the following:

- (1) The written and performance sections of the National Occupational Competency Testing Institute (NOCTI) test for the specific vocational occupational area.
- (2) Evidence of occupational licensure based on approved state or national board training and evaluation.
- (3) Evidence of occupational proficiency based on approved regional, state, or national association training and evaluation.

(i) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "occupational specialist" means the form of vocational licensing used for the induction and continuance of occupational specialists in vocational teaching who are:

- (1) pursuing a planned program of teacher development prescribed by the state board of education; and
- (2) not yet qualified for a standard teaching license.

(j) As used in sections 80 through 86 of this rule *[sections 89 through 95 of this rule]*, "professional development plan" means a written document that:

- (1) is prepared and revised cooperatively by the teacher, vocational administrator, and the university representative;
- (2) outlines the requirements for each renewal of the occupational specialist I and II certificates; and
- (3) outlines the requirements and objectives that must be met by the teacher toward conversion of the occupational specialist certificate III to a standard teaching license.

(a) Beginning July 1, 1989, each beginning teacher issued an initial occupational specialist I certificate must participate in a beginning teacher assistantship for at least two (2) semesters. A beginning teacher may participate for an additional two (2) semesters in the assistantship program at the same school, or at a different school, upon recommendation of the employing vocational administrator and completion of the beginning teacher seminar.

(b) The vocational administrator shall:

(1) assign each beginning teacher under subsection (a) a mentor;

(2) provide the mentor adequate time to observe the beginning teacher in the classroom;

(3) within the administrator's discretion, provide the mentor release time from the mentor's classroom and nonclassroom duties;

(4) within the administrator's discretion, provide the beginning teacher release time from classroom and nonclassroom duties to observe the mentor in the classroom;

(5) meet with the beginning teacher and mentor periodically; and

(6) complete the assistantship inventory for each beginning teacher.

(c) A mentor:

(1) must have at least five (5) years teaching experience;

- (2) must consent to the assignment as a mentor;
- (3) where possible, should teach a similar subject to that of the beginning teacher; and
- (4) where possible, should teach in the same building as the beginning teacher.
- (d) The mentor shall periodically meet with the beginning teacher to:
  - (1) evaluate the progress of the beginning teacher in attaining competency;
  - (2) discuss strengths and weaknesses of the beginning teacher's skills and practices; and
  - (3) provide guidance to the beginning teacher in how to attain excellence in teaching.

(e) A mentor does not become a supervisor under IC 20-29-2-19 as a result of performing duties under this rule. Authority: IC 20-28-2-6

Affected: IC 20-18-2-22; IC 20-28-5-2; IC 20-28-5-3; IC 20-28-9

Sec. 17. (a) School corporations shall not employ persons holding substitute certificates when licensed teachers are available.

(b) School corporations are encouraged to offer in-service training to their respective substitutes and to involve classroom teachers in such programs.

(c) The term "substitute teacher" shall mean a teacher, as defined in IC 20-18-2-22, working in the public schools of Indiana and holding a substitute certificate issued by the state board of education.

(d) Substitute certificates are valid for no more than one hundred nineteen (119) substitute teaching days per school corporation per school year. The state board shall issue a one (1) year substitute certificate and a five (5) year substitute certificate.

(e) To be eligible for a one (1) year substitute certificate, an individual must have completed a minimum of sixty (60) semester hours of college credit at an accredited institution. To be eligible for a five (5) year substitute certificate, an individual must:

(1) have completed a bachelor's degree at an accredited institution; or

(2) have completed a minimum of sixty (60) semester hours college credit at an accredited institution, have a minimum of thirty (30) days substitute teaching experience, and provide evidence of satisfactory performance.

(f) Any person who holds a valid Indiana professional, provisional, standard, reciprocal, or limited license may substitute an unlimited number of days.

(g) Any person who holds a valid Indiana professional, provisional, standard, or limited license and who serves as an occasional substitute teacher, shall be compensated on the regular pay schedule for substitutes of that school corporation.

(h) Any person holding a valid Indiana provisional, professional, or standard license who serves as a substitute teacher in the same teaching position for more than fifteen (15) consecutive school days shall be compensated on the regular pay schedule for teachers of that school corporation.

(i) A person may not serve as a substitute teacher without a valid certificate or license issued under the authority of the state

board of education.

(j) Substitute teaching shall not count as regular teaching experience to be used toward professionalizing an Indiana teaching license, waiving the proficiency test, or waiving the beginning teacher internship.

(k) A substitute teaching certificate may be renewed upon application. **515 IAC 1-2-21 Accreditation of institutions preparing educators**

Authority: IC 20-28-2-6

Affected: IC 20-28-3-1; IC 20-28-3-2

Sec. 21. (a) State approval of institutions preparing educators is based on Standards Procedures & Policies for the Accreditation of Professional Education Units of the National Council for Accreditation of Teacher Education (NCATE) (hereby incorporated by reference), Model Standards for Beginning Teacher Licensing and Development of the Interstate New Teacher Assessment and Support Consortium (INTASC) (hereby incorporated by reference), and the Standards for Teachers adopted by the Indiana professional standards board. Actual accreditation by NCATE is strongly encouraged but not mandatory. An institution not accredited by NCATE must be reviewed for approval according to subsection (d).

(b) A unit assessment system must be approved by the Indiana professional standards board according to Indiana professional standards board guidelines.

(c) An institution accredited by NCATE must submit to the Indiana professional standards board, prior to the NCATE accreditation visit, reports which comply with the Indiana professional standards board guidelines and expected time line.

(d) An institution not seeking NCATE accreditation must submit to the Indiana professional standards board, prior to the accreditation visit, reports which comply with the Indiana professional standards board guidelines and expected time line. Based on the model of NCATE accreditation, the Indiana professional standards board will conduct an accreditation visit using the Indiana board of examiners.

(e) The Indiana professional standards board will make the final determination of the Indiana accreditation status of all institutions desiring to prepare educators for licensing.

(f) The Indiana professional standards board shall assist institutions in developing quality programs for preparing educators. *(Advisory Board of the Division of Professional Standards; Rule 47, Sec 12; filed Dec 10, 1975, 2:50 p.m.: Rules and Regs. 1976, p. 257; filed Dec 2, 1987, 11:38 a.m.: 11 IR 1263; filed Jun 4, 1999, 2:32 p.m.: 22 IR 3104; readopted filed Sep 25, 2001, 9:43 a.m.: 25 IR 529; readopted filed Jul 18, 2007, 11:42 a.m.: 20070808-IR-515070238RFA) NOTE: Transferred from the Commission on Teacher Training and Licensing (530 IAC 2-2-13) to the Indiana State Board of Education (511 IAC 10-2-13) by P.L.20-1984, SECTION 206, effective July 1, 1984. **515 IAC 1-2-22 Exceptions to training and licensing requirements**

Authority: IC 20-28-2-6

Affected: IC 20-28-3; IC 20-28-5

Sec. 22. The professional standards board, after consideration of proper evidence and testimony, shall have the right to make exceptions in the administration and application of its promulgated rules if the board finds that:

(1) the applicant has educational experience that is substantially equivalent to the educational requirements under the rules of the board;

(2) the applicant has passed an examination or assessment that is substantially equivalent to the applicable examination or assessment for certification or licensing under the rules of the board; and

(3) the applicant has demonstrated work or related experience that is sufficiently related to the practice of teaching.

The professional standards board may not grant an exception to any requirements that are provided by statute. In addition, nothing in this section may be construed to authorize the professional standards board to waive or otherwise make exceptions to the requirement that the applicant demonstrate compliance with the performance-based standards for licensure or certification as adopted by the board. *(Advisory Board of the Division of Professional Standards; Rule 47, Sec 13; filed Dec 10, 1975, 2:50 p.m.: Rules and Regs. 1976, p. 259; filed Jul 25, 1997, 8:30 a.m.: 20 IR 3366; readopted filed Sep 25, 2001, 9:43 a.m.: 25 IR 529; readopted filed*

Authority: IC 20-28-2-6; IC 20-28-5-12

Affected: IC 20-28-5-3

Sec. 1. (a) An applicant for an Indiana initial teaching license must do the following:

(1) From September 1, 1999, for an applicant who has completed a teacher preparation program during calendar year 2000 or after and who is administered an examination described in IC 20-28-5-12 on or after September 1, 1999, successfully complete a written examination that demonstrates proficiency in:

(A) basic reading, writing, and mathematics through the Pre-professional Skills Test (PPST or Praxis I) of the Educational Testing Service;

(B) pedagogy; and

(C) knowledge of the areas in which the individual is required to have a license to teach.

(2) Fulfill the academic retention standard established by the institution recommending the applicant.

(b) As an alternative to successfully completing the entire written examination listed under subsection (a), an applicant for an initial license may demonstrate proficiencies in the subject areas required by the examination in the following circumstances:

(1) An applicant may successfully complete an examination that is substantially equivalent to the examination required under subsection (a)(1). The board shall determine what constitutes substantial equivalency.

(2) An applicant who has a disability that would affect the applicant's performance on the examination, for which the applicant has taken the examination with reasonable accommodations and for which the applicant has not successfully passed the entire examination, may not be required to have obtained a passing score in all subject areas required by the examination. To obtain a proficiency review under this subsection, an applicant should submit the following to the board and may submit additional material:

(A) A letter in which the applicant requests a review of the applicant's proficiencies in the pertinent subject areas.

(B) Credible documentation of the disability from an appropriate professional.

(C) Documentation that shows that the applicant has taken the examination with special accommodations.

(D) A written statement from an education professional who has worked with the applicant that attests to the competency of the applicant as a classroom teacher.

(E) A written statement from a college faculty member who has supervised the applicant's clinical experience that attests to the applicant's proficiency in classroom performance.

(F) A statement that outlines any special assistance or accommodations the candidate has had during college.

(G) The applicant's test history.

(H) A transcript copy that shows evidence of completion of a teacher preparation program, including student teaching and degree posted on the transcript.

(I) Any other relevant documentation required by the board.

An applicant with a disability that might affect test performance should notify the testing company of the disability when making application to take the test.

(Industrial Arts).

(c) An applicant for a teaching license in a health occupations specialty area must take the registry or certification examination required by the respective professional association and achieve at least the minimal score accepted by that professional association.

(d) An applicant may repeat any section of an examination on which the applicant does not achieve the minimum score.

(e) If, during the time an applicant for an initial teaching license is enrolled in a teacher preparation program, the applicant achieved the minimum acceptable score required for an examination or test in subsection (b) or (c), the applicant may use that score even if a different score or a different examination or test is required at the time of application for the license. However, an applicant must achieve the minimum acceptable score for any examination or test that has been added as a requirement for an initial teaching license after the applicant completed the preparation program.

(f) In lieu of amending this rule, the professional standards board may publish a "Notice of Test Code Change" policy statement under IC 4-22-7-7 in the event that the Educational Testing Service changes the name of or a code for a test but does not change either the content of the test or the scoring scale for the test. Upon publication, the professional standards board must simultaneously distribute the notice to the unit head and licensing advisor of each institution preparing educators.

(g) A person who is otherwise eligible for an initial standard license in a content area and who has attempted the required assessment examination as required under subsection (b), but who has not achieved the minimum acceptable score, is eligible for a one (1) year, nonrenewable instructional emergency permit as described in 515 IAC 9-1-19(g).

(h) From February 1, 2003, until December 31, 2004, a candidate for an administrator's license must achieve a minimum score of 158 on the assessment.

(i) Candidates for the original administration and supervision license after January 1, 2003, must successfully complete the assessment unless they hold a currently valid standard, provisional, or professional administration and supervision license in Indiana or the equivalent license in another state and can verify three (3) years of full-time experience in an accredited K-12 school in the appropriate position under that license. Sec. 1. (a) Beginning with the 1988-89 school year each:

- (1) school corporation;
- (2) school organized by an interlocal agreement under IC 36-1-7;
- (3) special education cooperative organized under IC 20-1-6-20 [IC 20-1 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005. See IC 20-35-5.];
- (4) cooperating school corporation for vocational education organized under IC 20-1-18-7 [IC 20-1 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005. See IC 20-37-1-1.]; and
- (5) private school;

as a condition of accreditation under IC 20-1-1-6(a)(8) [IC 20-1 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005. See IC 20-19-2-8.], must develop and implement a plan for a beginning teacher internship program.

(b) A beginning teacher internship program does not apply to an individual employed:

- (1) on a temporary teacher's contract for an expected length of less than 120 days;
- (2) on a supplemental services contract; or
- (3) as a substitute teacher.

*(Advisory Board of the Division of Professional Standards; 515 IAC 1-5-1; filed Mar 29, 1988, 1:50 p.m.: 11 IR 2862; readopted filed Sep 25, 2001, 9:43 a.m.: 25 IR 529; readopted filed Jul 18, 2007, 11:42 a.m.: 20070808-IR-515070238RFA) NOTE: Transferred from the Indiana State Board of Education (511 IAC 10-7-1) to the Professional Standards Board (515 IAC 1-5-1) by P.L.46-1992, SECTION 19, effective July 1, 1992.*

### **515 IAC 1-5-2 Definitions**

Authority: IC 20-28-2-6

Affected: IC 20-29-2-19; IC 20-31-4

Sec. 2. (a) The definitions in this section apply throughout this rule.

(b) "Advisor" means a representative of a teacher training institution within Indiana who acts as a teacher advisor for, and at the request of, a beginning teacher.

(c) "Beginning teacher" means a teacher who:

- (1) receives an initial standard or reciprocal teaching license after March 31, 1988;
- (2) is employed as a teacher for at least three (3) hours per day by any of the entities described under section 1(a) of this rule;
- (3) has not successfully completed an internship program under this rule; and
- (4) has less than two (2) years of creditable teaching experience recognized under 511 IAC 10-2-7 that is outside Indiana.

(d) "Governing body" means the board or group responsible for the governance of a school corporation or private accredited school.

(e) "Individualized assistance plan" means a plan developed by the governing body to assist a beginning teacher during a second internship year to achieve minimal competence on the performance criteria developed by the department of education.

(f) "Internship program" refers to the beginning teacher internship program established under IC 20-6.1-8 [IC 20-6.1-8 was repealed by P.L.291-2001, SECTION 175, effective July 1, 2001.] to do the following:

- (1) Assist beginning teachers in the performance of their duties.
- (2) Identify teaching skills and educational practices necessary for excellence in teaching.
- (3) Evaluate the performance of beginning teachers by principals.
- (4) Evaluate the quality of teacher training programs.

(g) "Mentor" means a teacher with outstanding teaching skills who is assigned to guide the beginning teacher toward attaining skills and practices described in the plan developed under IC 20-6.1-8 [*IC 20-6.1-8 was repealed by P.L.291-2001, SECTION 175, effective July 1, 2001.*] and this rule. A mentor does not become a supervisor under IC 20-7.5-1-2(h) [*IC 20-7.5 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005. See IC 20-29-2-19.*] as a result of performing duties under the internship program.

(h) "Teacher" means an individual whose position in the school requires a teaching license issued by the state board of education.

(i) "Teacher training institution" means a college or university offering a program of teacher education approved by the state board of education. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-5-2; filed Mar 29, 1988, 1:50 p.m.: 11 IR 2862; filed May 21, 1992, 5:00 p.m.: 15 IR 2215; readopted filed Sep 25, 2001, 9:43 a.m.: 25 IR 529; readopted filed Jul 18, 2007, 11:42 a.m.: 20070808-IR-515070238RFA*) NOTE: Transferred from the Indiana State Board of Education (511 IAC 10-7-2) to the Professional Standards Board (515 IAC 1-5-2) by P.L.46-1992, SECTION 19, effective July 1, 1992.

### **515 IAC 1-5-3 General provisions**

Authority: IC 20-28-2-6; IC 20-28-6

Affected: IC 20-28-6-1; IC 20-29-6; IC 20-31-4

Sec. 3. (a) Each beginning teacher must participate in a beginning teacher internship program for at least two (2) semesters. A beginning teacher who does not successfully complete an internship program may participate for an additional two (2) semesters in a beginning teacher intern program with:

- (1) the school corporation or accredited private school that initially employed the beginning teacher; or
- (2) another consenting school corporation or accredited private school.

(b) A beginning teacher who participates in a second year beginning teacher internship program is entitled to receive individualized assistance as provided under IC 20-6.1-8-16(b) [*IC 20-6.1-8 was repealed by P.L.291-2001, SECTION 175, effective July 1, 2001.*].

(c) The individualized assistance referred to in subsection (b) shall:

- (1) be detailed in an individualized assistance plan developed by the governing body;
- (2) identify professional growth activities to achieve minimal competence on the performance criteria listed under section 5(e) of this rule as reasons for repeating the internship; and
- (3) be approved by the professional standards board.

(d) The professional growth activities identified in subsection (c)(2) may include, but are not limited to, the following:

- (1) Seminars on professional growth.
- (2) Meeting costs and release time costs.
- (3) Reimbursement for travel expenses.
- (4) Counseling fees.

(e) An educational entity under section 1(a) of this rule that employs a beginning teacher that is assigned to a building that is administered by any of the other entities listed under section 1(a) of this rule may require the beginning teacher to be under the jurisdiction of a beginning teacher internship plan developed by the entity that administers the program in the building where the beginning teacher is assigned.

(f) The superintendent must assign to each beginning teacher a mentor who is chosen in accordance with the procedure established under subsection (g)(4). The mentor must consent to the assignment. Where possible, each mentor should:

- (1) have at least five (5) years teaching experience;
- (2) teach at a grade level similar to that of the beginning teacher;
- (3) teach a similar subject to that of the beginning teacher; and
- (4) teach in the same building as the beginning teacher.

(g) Each beginning teacher internship plan shall do the following:

- (1) Identify the expectations for and responsibilities of each of the following:
  - (A) Superintendent.
  - (B) Principal.
  - (C) Mentor.
  - (D) Beginning teacher.

(2) Identify beginning teacher competencies and behaviors that reflect the expectations of the governing body of the school

or school corporation.

(3) Develop an orientation program for beginning teachers.

(4) Develop the procedure for selection of mentors.

(5) Develop training for mentors and principals above any training provided by the state.

(6) Determine a minimum number of classroom observations to be conducted by the principal of each beginning teacher.

(7) Determine a minimum number of classroom observations to be conducted by the mentor of each beginning teacher.

(8) Determine a minimum number of preobservation and postobservation conferences that the principal, beginning teacher, and mentor shall hold.

(h) The superintendent shall do the following:

(1) Provide the mentor adequate time to observe the beginning teacher in the classroom setting.

(2) Where practical, provide the mentor release time from the mentor's nonclassroom duties and classroom duties.

(3) Provide the mentor, beginning teacher, and principal with a copy of the local plan.

(i) The mentor shall periodically do the following:

(1) Observe the beginning teacher in the classroom.

(2) Meet with the beginning teacher to do the following:

(A) Evaluate the progress of the beginning teacher in attaining competency as described in subsection (g)(2).

(B) Discuss strengths and weaknesses of the beginning teacher's skills and practices and provide guidance in attaining excellence in teaching.

(j) The mentor is entitled to an annual stipend as provided in IC 20-6.1-8 [*IC 20-6.1-8 was repealed by P.L.291-2001, SECTION 175, effective July 1, 2001.*] if the mentor is employed by any of the entities listed in section 1(a)(1) through 1(a)(5) of this rule. The stipend will be paid by the state in accordance with procedures established by the professional standards board.

(k) The beginning teacher may request an advisor to participate in that beginning teacher's internship program. The beginning teacher shall contact a teacher training institution to request an advisor. If the advisor elects to participate in the teacher's internship program, the advisor is entitled to receive reimbursement from the state for mileage and per diem expenses in accordance with budget agency rates and procedures.

(l) The professional standards board shall do the following:

(1) Provide technical assistance in the development and implementation of a beginning teacher internship program at the request of a school corporation or a private accredited school.

(2) Collect and disseminate information concerning existing internship programs.

(3) Develop guidelines concerning the following:

(A) The evaluation of the beginning teacher by the principal.

(B) Development of and approval for individualized assistance programs for beginning teachers participating in a second year beginning teacher internship.

(4) Develop forms for use by the principal in the evaluation of the beginning teacher.

(5) Provide a guide to training resources available to corporations for the training of principals and mentors.

(6) At the time of license renewal or otherwise at the first opportunity, indicate on the license of an individual who was not successful in a second year beginning teacher internship that the individual's employment as a teacher is restricted under IC 20-6.1-4-1(b) [*IC 20-6.1 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005. See IC 20-28-6-1.*] and section 4(e) of this rule.

(m) Implementation of and participation in an internship program is not a subject of:

(1) bargaining under IC 20-7.5-1-4 [*IC 20-7.5 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005.*]; or

(2) discussion under IC 20-7.5-1-5 [*IC 20-7.5 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005.*].

(n) Each entity described under section 1(a) of this rule shall file its internship plan with the professional standards board by September 15, 1992. Thereafter, an internship plan need be filed by September 15 only when changes have been made.

(o) Each entity described under section 1(a) of this rule that develops an individualized assistance plan as provided by IC 20-6.1-8-16(b) [*IC 20-6.1-8 was repealed by P.L.291-2001, SECTION 175, effective July 1, 2001.*] and this section shall submit that plan to the professional standards board no later than October 15 of the school year in which the individualized assistance plan is being administered. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-5-3; filed Mar 29, 1988, 1:50 p.m.: 11 IR 2862; filed May 21, 1992, 5:00 p.m.: 15 IR 2216; filed Jul 6, 1995, 12:00 p.m.: 18 IR 2780; filed Jun 5, 1998, 3:52 p.m.: 21 IR 3833; readopted filed Sep 25, 2001, 9:43 a.m.: 25 IR 529; readopted filed Jul 18, 2007, 11:42 a.m.: 20070808-IR-515070238RFA*)

**515 IAC 1-5-4 Crediting internship experience**

Authority: IC 20-28-2-6

Affected: IC 20-31-4

Sec. 4. (a) A beginning teacher participating in an internship program is entitled to the following:

(1) The same salary, retirement, contractual status, and all other benefits accorded to a teacher in that school corporation with teaching experience comparable to that of the beginning teacher.

(2) Credit for the teaching experience gained in an internship program for the purposes of salary, retirement, contractual status, licensure, and all other purposes.

(b) A beginning teacher who participates in an internship program for a second year is entitled to salary, retirement, contractual status, and all other benefits accorded to a beginning teacher entering the internship for the initial year. A beginning teacher successfully completing an internship program the second year is thereafter entitled to the following:

(1) Salary, retirement benefits, and other benefits accorded to a teacher with teaching experience comparable to that of the beginning teacher.

(2) Credit for the years of teaching experience gained in an internship program for the purposes of salary, retirement, contractual status, licensure, and all other purposes.

(c) The principal of the building in which the beginning teacher completes the internship program shall endorse the original teaching license verifying completion of the internship program. The department of education shall indicate on the face of any subsequent license issued to that teacher that the internship has been completed.

(d) The superintendent or official designee shall record each year of employment for each teacher who receives an initial standard or reciprocal license after March 31, 1988. The record of employment shall be made on the teacher's license in the place provided.

(e) A beginning teacher who does not successfully complete a beginning teacher internship program within the first two (2) full school years of employment by any of the entities listed in section 1(a) of this rule may maintain a valid license under the provisions of 511 IAC 10-3, but may not be employed by any of the entities listed in section 1(a) of this rule for a teaching appointment. A teaching appointment does not include substitute teaching. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-5-4; filed Mar 29, 1988, 1:50 p.m.: 11 IR 2863; filed May 21, 1992, 5:00 p.m.: 15 IR 2217; readopted filed Sep 25, 2001, 9:43 a.m.: 25 IR 529; readopted filed Jul 18, 2007, 11:42 a.m.: 20070808-IR-515070238RFA*) NOTE: Transferred from the Indiana State Board of Education (511 IAC 10-7-4) to the Professional Standards Board (515 IAC 1-5-4) by P.L.46-1992, SECTION 19, effective July 1, 1992.

**515 IAC 1-5-5 Evaluation procedures**

Authority: IC 20-28-2-6

Affected: IC 20-31-4

Sec. 5. (a) The principal must conduct an initial conference with the beginning teacher and the assigned mentor prior to the first day of the beginning teacher's classroom duties to discuss the following:

(1) The expectations for and responsibilities of the beginning teacher identified under section 3(g) of this rule.

(2) The criteria developed by the department of education.

(3) The expectations for and responsibilities of the mentor as identified under section 3(g)(1)(C) of this rule.

(4) The role of the principal in classroom observation.

(5) The role of the principal in the year-end evaluation.

(6) If appropriate, the role of the advisor.

(b) If an advisor agrees to participate in the beginning teacher's internship program, the advisor may attend at the request of the beginning teacher.

(c) On or before September 15, or within fifteen (15) days of the beginning teacher's employment if the beginning teacher is employed after September 15, the principal of each building in which there is a beginning teacher must notify the department of education of the following:

(1) The name of the institution that recommended the beginning teacher for the initial teaching license.

- (2) The name of the employing corporation.
  - (3) The name of the school in which the beginning teacher is teaching.
  - (4) The name of the mentor assigned to that beginning teacher.
  - (5) Whether the beginning teacher has requested an advisor to participate in the beginning teacher's internship program.
  - (6) If an advisor is requested, the name of the advisor's teacher training institution.
  - (d) If the beginning teacher was recommended for a license by a teacher training institution in Indiana, the principal must notify that institution of the information in subsection (b).
  - (e) The principal must record, for each classroom observation of the beginning teacher, the following:
    - (1) The extent to which the beginning teacher meets the expectations and responsibilities discussed in the initial conference under subsection (a).
    - (2) Teaching skills and educational practices that require improvement.
    - (3) Suggestions on methods and means for the beginning teacher and the mentor to accomplish improvement.
  - (f) The principal shall discuss the results of the observation with the beginning teacher in a postobservation conference. The mentor, the advisor, or both the mentor and advisor may participate in the postobservation conference if requested by the beginning teacher.
  - (g) The principal must, before May 1 of the school year in which the beginning teacher is employed, determine whether the beginning teacher has:
    - (1) successfully completed the internship program; or
    - (2) failed to complete successfully the internship program;based on the criteria developed by the department of education. The principal may recommend that a beginning teacher participate in an internship program for a second year.
  - (h) The principal must, on or before May 1, notify the following in writing of the determination under subsection (g):
    - (1) The beginning teacher.
    - (2) The superintendent.
    - (3) The governing body.
- The notice to the beginning teacher must include a statement of the reasons for the determination.
- (i) The principal must, on or before May 15, notify the following in writing of the determination under subsection (g):
    - (1) The department of education.
    - (2) The teacher training institution that recommended the beginning teacher for a teaching license, if that institution is in Indiana.

#### **515 IAC 1-5-6 Appeal procedure; initial internship year**

Authority: IC 20-28-2-6

Affected: IC 20-28-7; IC 20-31-4

Sec. 6. (a) A beginning teacher adversely affected by a determination of the principal under section 5(g) of this rule at the end of the teacher's initial year of participation in a beginning teacher internship program may appeal that determination to the governing body.

(b) The teacher may file a written request within ten (10) days of receipt of notice of the determination of the principal for a conference with the governing body. At the governing body's discretion, the superintendent or superintendent's designee shall conduct a preliminary conference with the beginning teacher. The preliminary conference must be held within ten (10) days following the request. The conference with the governing body must be held within twenty (20) days following the request.

(c) The conference shall be held in executive session unless a public conference is requested by the teacher. At the conference:

- (1) the superintendent or the principal may provide information supporting the determination of the principal under section 5(g) of this rule;
- (2) the teacher may provide information refuting the determination of the principal under section 5(g) of this rule; and
- (3) the teacher may have a representative at the conference.

(d) The governing body shall affirm or reverse the determination of the principal and shall notify the teacher of its decision in writing. The decision of the governing body is the final administrative determination.

(e) If the decision of the governing body results in a determination that the teacher successfully completed the internship program, the governing body shall direct the appropriate administrator to do the following:

(1) Verify completion of the internship on the teacher's license in the place provided.

(2) Notify the parties under section 5(h) and 5(i) of this rule of the decision.

(f) No provisions under this section are intended to affect in any way the rights and procedures afforded the parties regarding employment decisions under IC 20-6.1-4 [IC 20-6.1 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005.]. A school corporation is not required to employ a teacher after the completion of the internship program. ### **515 IAC 1-5-7 Appeal procedure; second internship year**

Authority: IC 20-28-2-6; IC 20-28-7

Affected: IC 20-28-6-1; IC 20-31-4

Sec. 7. (a) A beginning teacher adversely affected by a determination of the principal under section 5(g) of this rule at the end of the teacher's second year of participation in a beginning teacher internship program may appeal that determination to the governing body.

(b) The teacher may file a written request for a hearing with the governing body within fifteen (15) days of receipt of notice of the determination under section 5(g) of this rule. The teacher shall be given at least five (5) days notice of the time and place of the hearing, which shall be held in executive session unless the teacher requests a public hearing.

(c) The purpose of a hearing requested under subsection (b) is to receive evidence regarding whether the beginning teacher has demonstrated minimal competence on those performance criteria identified in the teacher's individualized assistance plan which was approved by the governing body and the department of education.

(d) At the hearing, the superintendent or principal, and the teacher shall each have the following rights:

(1) To speak and present evidence.

(2) To present witnesses.

(3) To have a representative present.

(4) To make a record of the proceedings.

(e) The governing body shall, at its next regularly scheduled meeting following the hearing, affirm or reverse the determination of the principal under section 5(g) of this rule by a majority vote, as evidenced by the official minutes of the meeting. The decision of the governing body is the final administrative determination.

(f) If the decision of the governing body under subsection (e) results in a determination that the teacher successfully completed the internship program, the governing body shall direct the appropriate administrator to do the following:

(1) Verify completion of the internship on the teacher's license in the place provided.

(2) Notify the parties under section 5(h) and 5(i)(1) of this rule of the decision.

(g) If the decision of the governing body under subsection (e) results in a determination that the teacher did not successfully complete the internship program, the principal shall notify the parties under section 5(h) and 5(i)(1) of this rule of the decision.

(h) The department of education shall, at the time of license renewal or otherwise at the first opportunity, indicate on the license of an individual who was not successful in a second year internship program that the individual's employment as a teacher is restricted by IC 20-6.1-4-1 [IC 20-6.1 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005. See IC 20-28-6-1.] and section 4(e) of this rule.

(i) No provision under this section is intended to affect in any way the rights and procedures afforded parties regarding employment decisions under IC 20-6.1-4 [IC 20-6.1 was repealed by P.L.1-2005, SECTION 240, effective July 1, 2005. See IC 20-28-6-1.]. A school corporation is not required to employ a teacher after completion of the internship program. ## **Rule 6. Transition to Teaching Program**

### **515 IAC 1-6-1 Applicability**

Authority: IC 20-28-2-6; IC 20-28-4

Affected: IC 20-28-4

Sec. 1. (a) This rule implements and supplements IC 20-28-4.

(b) Beginning July 1, 2002, each institution accredited under 515 IAC 1-2-21 and 515 IAC 3-1-1 must offer a transition to teaching program to prepare a qualified person who holds at least a baccalaureate degree to enter the teaching profession through a transition to teaching program.

(c) The transition to teaching program shall include a preparation component to meet Indiana standards for teaching.

(d) Completion of the program and testing requirements as stated under 515 IAC 1-4 results in eligibility for an initial practitioner license. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-6-1; filed May 29, 2002, 4:05 p.m.: 25 IR 3174; errata filed Jul 11, 2005, 10:00 a.m.: 28 IR 3308; readopted filed Sep 24, 2008, 2:49 p.m.: 20081008-IR-515080232RFA*)

### **515 IAC 1-6-2 Definitions**

Authority: IC 20-28-2-6; IC 20-28-4

Affected: IC 20-28-4

Sec. 2. (a) The definitions in this section apply throughout this rule.

(b) "Approved program" means a general elementary or secondary content area preparation program under 515 IAC 1-1-1 through 515 IAC 1-1-69 or approved by the board under 515 IAC 3.

(c) "Board" means the professional standards board.

(d) "Complete the program" means to be verified by an institution as having successfully completed the preparation program.

(e) "Consortium" means a relationship between at least two (2) institutions to provide a transition to teaching program.

(f) "Degree" means a degree from a four (4) year college or university that is accredited by its state or equivalent jurisdiction to offer the participant's degree.

(g) "Elementary" means a school setting of elementary-primary or elementary-intermediate, or both, for purposes of determining the license sought by the participant. By statute, this is labeled as kindergarten through grade 5.

(h) "Eligible person" means a qualified person who meets the admission requirements of the institution.

(i) "Enroll" means to do the following:

(1) Be admitted by an institution to the preparation program.

(2) Register for at least one (1) course in the program.

(j) "Participant" means a person who is enrolled in the preparation program.

(k) "Professional experience" means the experience that occurred through full-time employment in an educational related field or in a field in which the person intends to be licensed.

(l) "Program" means the transition to teaching program under this rule.

(m) "Qualified person" means a person who holds the degree and any professional experience required for the intended license.

(n) "Secondary" means a school setting of middle/junior high school or senior high school, or both, for purposes of determining the license sought by the participant. By statute, this is labeled as grades 6 through 12.

(o) "Successfully complete" means to pass each assessment under the preparation program.

(p) "Unit" means the teacher preparation program at a college or university. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-6-2; filed May 29, 2002, 4:05 p.m.: 25 IR 3174; errata filed Aug 22, 2002, 12:38 p.m.: 26 IR 36; readopted filed Sep 24, 2008, 2:49 p.m.: 20081008-IR-515080232RFA*)

### **515 IAC 1-6-3 General provisions**

Authority: IC 20-28-2-6; IC 20-28-4

Affected: IC 20-28-4

Sec. 3. (a) If an institution offers an approved general elementary program for an initial teaching license or secondary program for an initial teaching license in a content area, the institution must offer a course of study under the program.

(b) A course of study under the program shall be designed to prepare an eligible person to meet teaching standards.

(c) In relation to other approved programs at an institution offering a course of study under the program does not affect an institution's graduate level program to earn an initial teaching license, such as a master of teaching (MAT) program. The program does not replace or require the replacement of an approved program. An institution that offers the program in a content area may:

(1) add a separate approved program in the content area;

(2) discontinue the program in a content area if it discontinues its approved program in the content area; or

(3) agree with another institution to jointly provide, through a consortium, the preparation component for an eligible person.

(d) A participant is eligible to apply for an initial license when the participant successfully completes the program and successfully passes testing requirements.

(e) A license earned through the transition to teaching program and a license earned through a preparation program under 515 IAC 1-1 and 515 IAC 1-2 or 515 IAC 4 are equivalent for all purposes under this title. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-6-3; filed May 29, 2002, 4:05 p.m.: 25 IR 3175; errata filed Aug 22, 2002, 12:38 p.m.: 26 IR 36; readopted filed Sep 24, 2008, 2:49 p.m.: 20081008-IR-515080232RFA*)

#### **515 IAC 1-6-4 Eligibility for program in elementary teaching**

Authority: IC 20-28-2-6; IC 20-28-4

Affected: IC 20-28-4

Sec. 4. A person who has either of the following qualifications, as set forth in IC 20-28-4, is eligible to enroll in the preparation program for an elementary license:

(1) A baccalaureate degree with a grade point average of at least 3.000, both in the major and overall.

(2) Both a baccalaureate degree with a grade point average of at least 2.500, both in the major and overall, and five (5) years of professional experience.

(*Advisory Board of the Division of Professional Standards; 515 IAC 1-6-4; filed May 29, 2002, 4:05 p.m.: 25 IR 3175; errata filed Aug 22, 2002, 12:38 p.m.: 26 IR 36; errata filed Jul 11, 2005, 10:00 a.m.: 28 IR 3308; readopted filed Sep 24, 2008, 2:49 p.m.: 20081008-IR-515080232RFA*)

#### **515 IAC 1-6-5 Eligibility for program in secondary teaching**

Authority: IC 20-28-2-6; IC 20-28-4

Affected: IC 20-28-4

Sec. 5. (a) This section covers preparation under the program for a secondary license that corresponds to the content area of the degree and of any required professional 515 IAC 1-1 experience.

(b) A person who has any of the following qualifications is eligible to enroll in the preparation program:

(1) A baccalaureate degree with a grade point average of at least 3.000, both in the major content area and overall.

(2) A graduate degree.

(3) Both a baccalaureate degree with a grade point average of at least 2.500, both in the major content area and overall, and five (5) years of professional experience.

(*Advisory Board of the Division of Professional Standards; 515 IAC 1-6-5; filed May 29, 2002, 4:05 p.m.: 25 IR 3175; errata filed Aug 22, 2002, 12:38 p.m.: 26 IR 36; readopted filed Sep 24, 2008, 2:49 p.m.: 20081008-IR-515080232RFA*)

#### **515 IAC 1-6-6 Preparation**

Authority: IC 20-28-2-6; IC 20-28-4

Affected: IC 20-28-5-12

Sec. 6. (a) The unit may offer the course of study as either undergraduate or graduate credit.

(b) The qualified person must meet the general admission standards of the unit for the credit being awarded.

(c) The unit may require that, prior to enrollment, the qualified person must pass the written examinations under 515 IAC 3-1-6, 515 IAC 3-1-7, and IC 20-28-5-12 for reading, writing, mathematics, and knowledge in the content area of the intended license.

(d) The course of study may be part of a degree program, but a participant is not required to earn a degree to successfully complete the preparation program.

(e) Based on the teaching standards for the intended license, the preparation shall contain the following:

(1) The course work and field and classroom experiences that prepare the participant.

(2) The performance assessments defined in the institution's unit assessment system that indicates whether the participant meets Indiana standards.

(f) Pursuant to IC 20-28-4, preparation shall include no more than the following:

(1) Eighteen (18) credit hours for secondary teaching.

(2) Twenty-four (24) credit hours for elementary teaching, including at least six (6) credit hours in the teaching of reading.

*(Advisory Board of the Division of Professional Standards; 515 IAC 1-6-6; filed May 29, 2002, 4:05 p.m.: 25 IR 3175; errata filed Aug 22, 2002, 12:38 p.m.: 26 IR 36; errata filed Jul 11, 2005, 10:00 a.m.: 28 IR 3308; readopted filed Sep 24, 2008, 2:49 p.m.: 20081008-IR-515080232RFA)*

#### **515 IAC 1-6-7 Scope of initial license; application procedures**

Authority: IC 20-28-2-6; IC 20-28-4

Affected: IC 20-28-4

Sec. 7. (a) A participant who completes the program is eligible for an initial license in a school setting as follows:

(1) In elementary teaching, for elementary-primary or elementary-intermediate, or both.

(2) In secondary teaching, for junior high/middle school or high school, or both.

(b) The board shall issue an initial practitioner license that is restricted to only the content area or areas in which the program participant has a degree unless the program participant demonstrates sufficient knowledge in other content areas of the license. *(Advisory Board of the Division of Professional Standards; 515 IAC 1-6-7; filed May 29, 2002, 4:05 p.m.: 25 IR 3176; errata filed Aug 22, 2002, 12:38 p.m.: 26 IR 36; readopted filed Sep 24, 2008, 2:49 p.m.: 20081008-IR-515080232RFA)*

#### **515 IAC 1-6-8 Annual report by institution**

Authority: IC 20-28-2-6; IC 20-28-4

Affected: IC 20-28-4

Sec. 8. (a) No later than June 1 of each year, the board will provide institutions with the format for the annual program report integrated within the annual accreditation report due no later than October 15 of that year.

(b) An institution shall submit an annual program report to the board, including number of participants who have:

(1) enrolled and are participating only in the preparation program; and

(2) completed the preparation program.

(c) An institution shall submit any other information as required by federal statute. *(Advisory Board of the Division of Professional Standards; 515 IAC 1-6-8; filed May 29, 2002, 4:05 p.m.: 25 IR 3176; errata filed Aug 22, 2002, 12:38 p.m.: 26 IR 36; readopted filed Sep 24, 2008, 2:49 p.m.: 20081008-IR-515080232RFA)*

(3) The renewal fee prescribed by 515 IAC 1-2-19, which fee may be submitted electronically if arrangements to accept electronic payment have been made by the board.

(4) Documentation issued by the board or licensing advisor that the requirements of section 13 or section 14 of this rule have been met.

(b) Applicants for license renewal shall provide all necessary evidence of eligibility.

(c) An application for license renewal shall be submitted no sooner than sixty (60) days prior to the expiration date of the license. *(Advisory Board of the Division of Professional Standards; 515 IAC 1-7-12; filed Sep 30, 2003, 9:45 a.m.: 27 IR 502)*

**515 IAC 1-7-13    Renewal of standard licenses with a Rule 46-47 basis and issued before December 31, 2007; Bulletin 400 provisional licenses; and Bulletin 192 licenses**

Authority: IC 20-28-2-8

Affected: IC 20-20-1; IC 20-26-10; IC 20-28-3-1; IC 36-1-7

Sec. 13. (a) An applicant for the renewal of a standard license with a Rule 46-47 basis or licensing under other prior rules (see 515 IAC 1-2-2) that was issued before December 31, 2007, must meet the following requirements:

(1) An applicant who has:

(A) obtained a master's degree in accordance with 515 IAC 1-1;

(B) completed five (5) years' teaching experience in accredited schools at the level and in one (1) or more areas covered by the license; and

(C) met the other requirements for such a license;

may be issued a renewal license that will be valid for ten (10) years and renewable for five (5) years thereafter as provided in 515 IAC 1-1.

(2) An applicant who has completed six (6) semester hours of academic credit approved by the board, ninety (90) certification renewal units (CRUs) or an equivalent combination of academic credit and CRUs, may be issued a renewal license provided, however, that, for purposes of this subdivision, CRUs shall be the equivalent of semester hours and quarter hours of academic credit in the ratios set forth in subdivision (5)(A) and, provided further, that academic credits and CRUs shall count toward license renewal only if they are earned during the five (5) year period preceding the submission of the application for renewal.

(3) Academic credit must be earned in the applicant's certification major, certification minor, or professional education. Credits or CRUs in excess of the minimum required for renewal of the current license will not count toward a subsequent renewal.

(4) CRUs are granted for experiences that will aid applicants in maintaining and improving professional capabilities in areas of licensure.

(5) CRUs will be granted as follows:

(A) One (1) CRU will be granted for each two (2) contact hours of participation in an organized educational experience leading to improved instruction under responsible sponsorship, capable direction, and qualified instruction. Ten (10) CRUs will be granted for each quarter hour of academic credit that is related to professional growth. Fifteen (15) CRUs will be granted for each semester hour of academic credit that is related to professional growth. Programs used for professional growth experiences as part of an applicant's professional growth plan do not require approval.

(B) A CRU program provider will not be approved by the board unless it is one (1) of the following:

(i) A bona fide professional educator organization organized under Indiana law, provided, however, a professional teacher organization will not be approved by the board unless it files with the board, using the board's form, a report setting forth its name, address, and other information required by the board's form. Thereafter, the report shall be filed with the board annually on the anniversary of the provider's approval by the board.

(ii) An accredited college or university.

(iii) A school corporation or combination of school corporations.

(iv) An educational service center organized under IC 20-20-1.

(v) A joint program organized under IC 20-26-10.

(vi) Organizations that individually would be acceptable who are operating together under an interlocal agreement organized under IC 36-1-7.

(vii) The Indiana state board of education through the Indiana department of education.

(viii) The board.

An individual program sponsored by an approved provider will not be accepted for license renewal unless it is aligned with the standards defined in section 11 of this rule.

(C) Organizations offering CRUs shall issue to each eligible participant a uniform certificate of completion denoting the number of hours attended or CRUs earned. Each participant is responsible for maintaining his or her record for submission to the board at the time of license renewal.

(D) In order to qualify for renewal of a standard or provisional license in instructional supervision, school services, school services personnel, or administration, a licensee must meet the requirements for renewal or professionalization

set forth in 515 IAC 1-1, whereupon, the licensee will qualify for a professional (nonlife) license that will be initially issued for ten (10) years and will be renewable thereafter for five (5) year periods under this rule.

(E) If the credits used to renew a license are semester or quarter hour units, the licensing advisor at the applicant's institution will provide the necessary documentation to meet the requirements of section 12(4) [section 12(a)(4)] of this rule.

(F) A license issued pursuant to 515 IAC 1-1 is eligible for renewal for subsequent five (5) year periods if all other requirements are met.

(G) An applicant who has:

- (i) obtained a master's degree in accordance with 515 IAC 1-1;
- (ii) completed the professional education course requirements for a license under 515 IAC 1-1;
- (iii) five (5) years of teaching experience at an accredited school at the level and in one (1) or more areas covered by the license; and
- (iv) met the other requirements for such a license;

may be issued a professional (nonlife) license.

(H) A license obtained under clause (G) must be renewed under section 12 of this rule.

(I) A person who completes an approved teacher education program and fails to acquire an Indiana standard license within five (5) years thereafter must complete an additional six (6) semester hours of academic credit at an approved teacher preparation institution before applying for a teaching license.

(b) As an alternative to meeting the requirements of this section, an applicant may comply with section 14 of this rule. However, a teacher who applies for license renewal under this subsection may not be subsequently granted a license renewal under this section and, therefore, must renew under section 14 of this rule. #### **515 IAC 1-7-14 Renewal of any license expiring on or after July 1, 2004**

Authority: IC 20-28-2-8

Affected: IC 20-20-31

Sec. 14. (a) This section applies to any license renewal under section 13(b) of this rule and all renewals of proficient practitioner licenses

(b) Any license expiring on or after July 1, 2004, may, and all proficient practitioner licenses must, be renewed for an additional five (5) year term by one (1) of the following methods:

(1) Completion of the process for certification by the National Board of Professional Teaching Standards (NBPTS) in a content area for which the NBPTS offers certification and submission to the board of written verification from the NBPTS that the certification process has been completed, regardless of whether the licensee succeeded in earning NBPTS certification.

(2) Submission of a license renewal report that is approved by the board or its designee provided, however, that the license renewal report must be in a format approved by the board. The license renewal report may not be submitted more than twenty-four (24) months before the expiration of the applicant's current proficient practitioner's license. If the license renewal report is approved, a certificate to that effect will be issued to the applicant and that certificate must accompany the application for license renewal.

(3) Submission of documentation from a licensing advisor that the requirements of the license renewal report have been met through academic credits.

(c) To qualify for renewal, the applicant must have obtained a minimum of ninety (90) professional growth experience points in the five (5) year period immediately preceding the submission of the application for renewal. The professional growth experience points shall be calculated with one (1) clock hour qualifying for one (1) professional growth experience point subject to the following limitations:

- (1) In-service workshop up to a maximum of forty-five (45) points per renewal.
- (2) Professional conference or workshop up to a maximum of forty-five (45) points per renewal.
- (3) Mentoring of beginning educator up to a maximum of thirty-six (36) points per renewal.
- (4) Certified mentor training up to a maximum of twenty-five (25) points per renewal.
- (5) Professional growth team member up to a maximum of twenty-five (25) points per renewal.
- (6) Cooperating teacher for a student teacher up to a maximum of fifty (50) points per renewal.

- (7) Educational travel up to a maximum of five (5) points per renewal.
- (8) Workshop presentation up to a maximum of thirty (30) points per renewal.
- (9) Curriculum development up to a maximum of forty-five (45) points per renewal.
- (10) Educational committee membership up to a maximum of fifty (50) points per renewal.
- (11) School accreditation activities up to a maximum of fifty (50) points per renewal.
- (12) College credit up to a maximum of ninety (90) points per renewal.
- (13) Peer coaching up to a maximum of twenty-five (25) points per renewal.
- (14) Educational publication up to a maximum of forty-five (45) points per renewal.
- (15) Professional experience or activity up to a maximum of thirty (30) points per renewal.
- (16) College teaching up to a maximum of ninety (90) points per renewal.
- (17) Educational research up to a maximum of thirty (30) points per renewal.
- (18) Indiana principal leadership academy conducted by the Indiana department of education up to a maximum of ninety (90) points per renewal.

(d) Verification of the professional growth experiences must be provided on a form approved by the board. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-7-14; filed Sep 30, 2003, 9:45 a.m.: 27 IR 503*)

**515 IAC 1-7-15 Applicants are responsible for delay**

Authority: IC 20-28-2-8

Affected: IC 20-20-31

Sec. 15. An applicant is responsible for any delays in the issuance of a renewal license if the license renewal report is received by the board less than one hundred twenty (120) days prior to the license's expiration date. (*Advisory Board of the Division of Professional Standards; 515 IAC 1-7-15; filed Sep 30, 2003, 9:45 a.m.: 27 IR 504*)

**515 IAC 1-7-16 Professional growth team**

Authority: IC 20-28-2-8

Affected: IC 20-20-31

Sec. 16. A professional growth team may be established by an applicant as part of the professional growth experiences requirement for renewal of a teaching license; however, such a team must be convened as part of the license renewal process for an administrator's license. The activities of the team shall be compatible with school improvement plans and professional development programs required by IC 20-20-31. A professional growth plan submitted for the renewal of an instructional license may not be used to renew a school administrator or a school services license, however, a professional growth plan submitted to renew a school administrator or school services license may also be used to renew an instructional license.
