(b) A candidate may take the required test sections individually and in any order. Credit for any test section passed shall be valid for eighteen (18) months from the actual date the candidate took that test section provided the following:

(1) Candidates must pass all four (4) test sections of the Uniform CPA examination within a rolling eighteen (18) month period, which begins on the date that the first test section passed is taken.

(2) Candidates cannot retake a failed test section in the same testing window.

The transition is the maximum number of opportunities that candidates who have conditioned under the paper and pencil examination have remaining, prior to April 2004, to complete all remaining test sections, or the number of remaining opportunities under the paper and pencil examination, multiplied by six (6) months, whichever is first exhausted.

(2) If a previously conditioned candidate does not pass all remaining test sections during the transition period, conditional credits earned under the paper and pencil examination will expire and the candidate will lose credit for the test sections earned under the paper and pencil examination. However, any test section passed during the transition period is subject to the conditioning provisions of the computer-based examination as provided for in subsection (c), except that a previously conditioned candidate will not lose conditional credit for a test section of the computer-based examination that is passed during the transition period, even though more than eighteen (18) months may have elapsed from the date the test section is passed, until the end of the transition period.

(e) Under IC 25-2.1-3-8, the board may extend the term of conditional credit validity if the candidate can show that the credit was lost by reason of circumstances beyond the candidate's control.

(f) A candidate shall be deemed to have passed the Uniform CPA examination once the candidate holds at the same time valid credit for passing each of the four (4) test sections of the examination.
