(c) Notwithstanding the five (5) year retention requirement of the Uniform Standards of Professional Appraisal Practice, in order for an appraisal to qualify for experience credit regardless of when the appraisal was done, the applicant must have the appraisal report and file available for board review under subsection (d) or (e). Submission of appraisals that are not in substantial compliance with the version of the Uniform Standards of Professional Appraisal Practice (as adopted in 876 IAC 3-6-2 and 876 IAC 3-6-3) in effect on the inspection date of the appraisal may result in the denial of the appraisal experience required for licensure as:

reviewed by a supervising appraiser who signed the appraisal report, notwithstanding subsection (c). No credit may be given to an applicant performing less than seventy-five percent (75%) of the work on an appraisal. No credit may be given to an applicant for an appraisal unless the applicant either signed the report or was given credit for seventy-five percent (75%) of the work within the certification pages of the appraisal report.

(c) An applicant may be given credit for twenty-five percent (25%) of the hours allotted for the type of property appraised if the applicant reviewed an appraisal prepared by a trainee under the applicant's supervision, and the applicant signed the report as the supervisor.

(e) An applicant may be given credit for an additional fifty percent (50%) of the hours allotted for the type of property appraised if the applicant performed an appraisal for condemnation purposes where there was a partial taking of the property and documented before and after value of the property was completed.

Assignments must require problem solving skills for a variety of property types for the credential category. Experience credit shall be granted for the actual classroom hours of instruction and hours of documented research and analysis as awarded from the practicum course approval process.

(g) An appraisal for which experience is claimed under this rule must:

(1) be either:

- (A) an appraisal report; or
- (B) a restricted report; and

(2) comply with the Scope of Work Rule of the USPAP (as adopted in 876 IAC 3-6-2).

(h) The total credit given for appraisal work consisting of restricted appraisal reports shall not exceed five hundred (500) hours.
