Rule 1. General Provisions

35 IAC 1.3-1-1 Administration

Authority: IC 5-10.3-12-18; IC 5-10.5-4-2

Affected: IC 5-10.3-12

Sec. 1. (a) The public employees' defined contribution plan, created under IC 5-10.3-12 (hereinafter referred to as the plan) shall be administered by the INPRS board of trustees of the Indiana public retirement system (hereinafter referred to as the INPRS board). (c) The INPRS board shall have the same duties and authority over the plan as apply to the fund under 35 IAC 1.2-1-3.

(d) Pursuant to IC 5-10.3-12-7, the INPRS board shall implement this article the first day of the month that is six (6) months after the month in which the Internal Revenue Service issues an approval of the plan. (*Board of Trustees of the Indiana Public Retirement System; 35 IAC 1.3-1-1; adopted Sep 16, 2011: 20110928-IR-035110564ONA*)

Rule 2. Definitions

35 IAC 1.3-2-1 Definitions

Authority: IC 5-10.3-12-18; IC 5-10.5-4-2

Affected: IC 5-10.2-2-2; IC 5-10.2-4-3; IC 5-10.3-12

Sec. 1. The definitions in 35 IAC 1.2-2-1 apply throughout this article, unless the term is defined in this section or unless the context otherwise clearly requires:

(1) "Annuity savings account" or "ASA" means the annuity savings account maintained under IC 5-10.2-2-2(a)(1), as described in IC 5-10.3-12-3.

(2) "Compensation", for the purposes of IC 5-10.3-12-23 and this plan, means all compensation that is included as gross income as reported on the member's W-2 for covered service by a covered employer, plus the amounts stated in IC 5-10.2-4-3 that are not paid directly to the member.

(3) "Employer contributions" means contributions made by the state, political subdivisions, and miscellaneous participating entities credited to the member's employer contribution subaccount, as described in IC 5-10.3-12-9 and IC 5-10.3-12-24.

(4) "Member's contributions" means the member's contributions credited to the member's contribution subaccount, as described in IC 5-10.3-12-13 and IC 5-10.3-12-23, which is three percent (3%) of the member's compensation under IC 5-10.3-12-5.

(5) "Normal cost of the fund", for purposes of IC 5-10.3-12-24 and this plan, means the present value of the portion of the actuarial cost of projected benefits allocated to the current plan year. The normal cost is calculated by determining the projected future benefits to members, discounting the projected future benefits to the valuation date to establish the present value of benefits, and allocating the cost of the present value of benefits to past service, current service, and future service. The amount allocated to the current service is the normal cost. The normal cost of the fund is calculated annually by the actuary as part of the valuation process.

(6) "Plan" means the public employees' defined contribution plan established under IC 5-10.3-12.

(7) "Vested" or "vested portion" means the portion of the employer contribution subaccount that is vested as described in IC 5-10.3-12-25.

Sec. 1. (a) All years of participation for purposes of determining vesting under the plan are determined by IC 5-10.3-12 and this article.

(b) A member's years of participation shall be credited in yearly increments, and shall not be prorated for partial years of participation credit.

(c) If a plan participant:

(1) is employed in two (2) different plan-covered positions at the same time; and

(2) then terminates employment from either one (1) of those positions;

the participant forfeits only those contributions, as described in IC 5-10.3-12-25(e), from the participating entity from which he or she terminates. The participant does not forfeit any member contributions.

(d) Participants who separate employment from one (1) participating entity in the plan retain their accumulated years of participation if the participant is hired by another participating entity.

(e) A participant's years of participation in the plan may only be used towards calculating the participant's vesting percentage in the plan. Years of participation in the plan may not be treated as creditable service in the fund.

(f) If a participant is employed in one (1) fund-covered position and at the same time is employed in a separate plan-covered position, the member is entitled to both creditable service in the fund and years of participation in the plan. If a plan participant is employed in two (2) plan-covered positions, the member may earn years of participation from only one (1) position at a time.

(g) For purposes of forfeiture under IC 5-10.3-12-25(e), "state employee" has the meaning set forth in IC 5-10.3-7-1.

Rule 4. Members of the Plan

35 IAC 1.3-4-1 Members of the plan

Authority: IC 5-10.3-12-18; IC 5-10.5-4-2

Affected: IC 5-10.3-2-4; IC 5-10.3-6-1; IC 5-10.3-7-1; IC 5-10.3-12-1

Sec. 1. (a) Members of the plan are determined by IC 5-10.3-12 and this article.

(b) Eligible members must elect membership in the plan defined in IC 5-10.3-12 within the first sixty (60) days of their employment, or the member will be defaulted to membership in either the plan or the fund, determined by the default membership elected by the employer in the resolution on file with INPRS.

(c) The default described in subsection (b) is irrevocable.

(d) If a member terminates employment prior to making a membership election the member will be defaulted to membership in either the plan or the fund, determined by the default membership elected by the employer in the resolution on file with INPRS. Affected: IC 5-10.3-6-1; IC 5-10.3-7-1; IC 5-10.3-12-1

Sec. 2. (a) An employee's participation in the fund or the plan is determined by the employer classification of a participant's position, in the employer resolution on file with INPRS.

(b) A participant with only prior fund service shall become a member of the fund, only if the employer offers fund

membership to that participant's position. If an employer requires all new employees to become members of the fund, the employee becomes a member of the fund regardless of the member's service or participation history.

(c) A participant with only prior plan service shall become a member of the plan, only if the employer offers plan membership to that participant's position. If an employer requires all new employees to become members of the plan, the employee becomes a member of the plan regardless of the member's service or participation history.

(d) A participant with both prior fund service and prior plan service shall become a member of the plan, only if the employer offers plan membership to that participant's position. If an employer offers new employees a choice between fund or plan membership, the employee may choose membership in either the fund or the plan, regardless of the employee's PERF service or participation history. The employee's choice is irrevocable. Once an employee makes a decision between the fund or the plan with a specific employer, that employee will not receive another choice if later reemployed with that specific employer.

(e) An employer may require all new employees without prior PERF service or participation to enter into only either the fund or plan. The same employer may allow new employees with prior PERF service or years of participation a choice between plan and fund membership.

(f) A previous PERF covered state employee rehired by the state who did not have a previous opportunity to elect plan participation with the state may make the irrevocable election to participate in the plan under same terms and conditions as a newly hired first-time PERF covered state employee.

(g) Employers may designate whether employees who are retired from the fund may be enrolled in the plan. (*Board of Trustees of the Indiana Public Retirement System; 35 IAC 1.3-4-2; adopted Sep 11, 2015: 20150923-IR-035150302ONA; adopted Nov 4, 2016: 20161116-IR-035160500ONA*)

Sec. 1. (a) Each member in the plan will have an account that includes the following subaccounts:

(1) A "member contribution subaccount" as defined in IC 5-10.3-12-13.

(b) To the extent a member has made rollover contributions to the plan, a "rollover account" as defined in IC 5-10.3-12-22 and IC 5-10.3-12-29 will be maintained on behalf of the member as a separate subaccount within the member's account. Unless a member with a rollover account as defined within IC 5-10.2-3-10 rolls over the account into a rollover account under this rule, and as defined within IC 5-10.3-12, rollovers are to be maintained in separate subaccounts.

Sec. 1. (a) As provided under IC 5-10.3-12-26, IC 5-10.3-12-29, and this article, a member who terminates service in covered employment is entitled to withdraw the vested portion of the member's account as:

(1) a lump sum;

(2) a direct rollover to an eligible retirement plan; or

(3) if the member has attained normal retirement age, as defined in IC 5-10.3-12-14, as a monthly annuity, subject to this article.

(b) For a member electing a distribution under subsection (a)(3), the forms of monthly annuity payments that are available under the annuity savings account of the fund shall be available, pursuant to IC 5-10.2-4-7, for the member's selection, provided that the amount of the member's account to be annuitized must be at least fifteen thousand dollars (\$15,000) in order for the annuity option to be available. Amounts in a member's rollover account established under IC 5-10.2-3-10 or IC 5-10.3-12-29 may be rolled into the amount in the member's ASA account to meet the threshold amount described in this section. (a) A member who becomes disabled while in service in a covered position and who presents proof of the member's qualification for Social Security benefits to the INPRS board is entitled to withdraw the vested portion of the member's account as described in IC 5-10.3-12-30 and section 1 of this rule, provided that a monthly annuity shall be available as a distribution option regardless of whether the member has attained normal retirement age, if the minimum monthly annuity amount rule under section 1(b) of this rule is satisfied.

(b) Nonvested amounts at the time of the initial disability distribution are not forfeited under IC 5-10.3-12-25(e) at the time of the disability distribution. Except as provided in section 3.1(c) of this rule, the disability retirement benefit shall be recalculated once the member is no longer receiving state disability payments so long as the member remains otherwise eligible for such disability retirement benefits. For example, Ann has three (3) years of service and goes on state long-term disability leave. Ann received a disability onset date by the Social Security Administration that coincides with the date she began receiving state long-term disability benefits. Ann may receive forty percent (40%) of the amounts in her ASA. Ann continues to receive state long-term disability benefits for two and one-half (2 1/2) more years and terminates state employment. Ann may now receive one hundred percent (100%) of vested amounts in her ASA including the residual amounts not paid to her when she first applied for disability and any contributions and earnings since that time.
